Holy Smoke! Unholy Fire! Robert, C McKibben, 2005-11-03 Dr Bob McKibben shares from his heart his understanding of the work and ministry of the Holy Spirit within the local church Combining his experience as pastor study and a commitment to sound Biblical principles Bob provides a checklist for pastors and churches to use in ministry and worship as they encounter the wonderful presence of the Holy Spirit This is a pastoral rather than a theological work Sure enough it has theology in it The focus however is on caring for the Body of Christ as it experiences the abundant grace of God and the magnificent gifts of the of the Holy Spirit

The Gospel According to Mark Robert C McKibben, 2016-09-27 In this 15th volume of the Participatory Study Series Bob McKibben opens up the gospel of Mark in new ways Often considered of secondary theological value more of a short story version of the gospel Bob presents Mark as history and serious theology with a very relevant message for followers of Jesus today The participatory study method is especially fruitful in this guide as readers walk with Jesus through the story of the apostles watch as the cross approaches and wonder with them what has really happened In these 15 lessons you will be able to read the gospel with fresh eyes and apply it to your own life as a follower of Jesus

Christianity Jr. Elgin L Hushbeck, 2017-09-25 In *Christianity The Basics* Elgin Hushbeck presents the basic doctrines that have defined orthodox Christianity down through the ages giving a basic defense for this core of the Christian Faith He also addresses questions such as can we really know and understand what the Bible teaches isn't it all just a matter of interpretation and what do we mean when we say someone is or is not a Christian This is a serious study but is written in language that anyone can understand It is suitable for use in classes in basic Christianity as well as for those who want to refresh their memory about the basics and prepare to share their faith intelligently and with grace

A Holy Mystery Chris Eyre, 2019-03-27 A pastor says If you think you understand the trinity you've probably fallen into heresy An expert in biblical studies says The trinity is one of the best ways ever invented to say We don't have a clue Many people say the trinity is not found in the Bible so what is it doing as a doctrine This lively and challenging book asks you to think about the trinity what it means how it came to be and what value it might have in Christian conversation today If you don't want to have your thinking challenged or you'd rather just go on saying I believe in the trinity without knowing what you're saying then definitely stay away from this book To the rest of you Enjoy

Holy Dark Places Daniel S. McGregor, 2017-03-27 The Christian believer routinely experiences periods in their life referred to as a

dark night of the soul In such times a person feels as if God has left him or her alone and God has distanced himself from the individual in this period of liminality It is considered to be a time of trial and testing which only afterwards is viewed as a period of growth and maturing in Christ In this book Daniel McGregor explores the Biblical foundation for this concept as well as providing a historical survey of Christian theologians and authors who examine these themes and experiences This volume will provide an ideal introduction to the subject for the serious layperson or a suitable reading for an introductory class in religious studies

Holidays, Holy Days, and Special Days William Powell Tuck, 2015-11-13 What s a preacher to do with holidays Some seem to almost preach themselves especially those in the church calendar Others are more secular or may seem to conflict with the church calendar Some are even controversial and require a gentle but firm touch of the preacher s art William Powell Tuck is a master preacher and in this book he demonstrates his sensitivity to the issues raised by some of the holidays and special days of the year along with his grounding in biblical studies theology and homiletics You can read these sermons as essays if you want but they are not light devotionals They are serious efforts to grapple honestly with issues and to guide a church community in learning and growing as they celebrate their lives their families and their communities For the preacher these sermons can serve as models for how to approach these days as well as providing insight into the various issues involved
