

EL HOMBRE MEDIOCRE

JOSE INGENIEROS

Hombre Mediocre Spanish Jose Ingenieros

Scott C. Dulebohn

Hombre Mediocre Spanish Jose Ingenieros:

José Ingenieros Maximiliano E. Korstanje, 2024-03-19 Maximiliano Korstanje presents an overview and analysis of the work of the Argentinian sociologist and physician Jos Ingenieros 1877-1925 In fact Jos Ingenieros was a seminal scholar who contributed directly to the formation of sociology in Latin America Born in Palermo Italy Ingenieros grew up in Buenos Aires Argentina He trained in medicine psychiatry sociology and philosophy he devoted much of his life to addressing societal challenges such as mass migration imperialism marginality criminality and social identity Korstanje takes in turn the key areas of Ingenieros's work and examines how his thinking can be brought to bear on the social challenges of today In particular his work on mass migration and the Other have echoes in the problems facing many countries in the early twenty-first century It is a valuable resource for scholars and students looking to better understand this key figure in Argentinian and Latin American sociology in the early twentieth century

Anarchist Socialism in Early Twentieth-Century Spain

Stephen Luis Vilaseca, 2020-05-28 Anarchist Socialism in Early 20th Century Spain is the first English translation of and critical introduction to Ideario a collection of newspaper and journal articles written by Spanish anarchist Ricardo Mella Given that Mella is virtually unknown to the English speaking world this book provides readers access to his extensive body of work about Spain human nature and a world increasingly dominated by capitalism Suitable for both the general public interested in learning more about anarchist ideas and for scholars studying twentieth century Spain the three introductory essays help to introduce Mella ground his work in the context of Spanish anarchism and draw connections between Mella and the urban in late nineteenth and early twentieth century Spain Stephen Luis Vilaseca's translation is accessible and engaging

José Ingenieros (1877-1925) Arturo Torres-Rioseco, 1926 [Dissident Renaissance: Rewriting the History of Early Modern Philosophy as Political Practice](#), 2025-02-13 The Renaissance has a peculiar status in philosophical historiography it tends to disappear from the dominant narrative as Charles Schmitt famously noticed but it also resurfaces unexpectedly in marginal reception histories This book casts light on intellectual constellations or geographical areas which have traditionally been considered peripheral to the emergence of the Renaissance The case studies presented in the book explore philosophical historiography as a political practice showing how in times of cultural crisis or change the scholarly rediscovery of the Renaissance often served to develop or legitimise an ideal of social religious or moral reform Driven by personal concerns and political choices historiography is revealed as an act of dissent against mainstream reconstructions

Inter-America, 1921 Consists of English translations of articles in the Spanish American press **Mexican Life**, 1957

Beyond Nationalism and the Nation-State İlker Cörüt, Joost Jongerden, 2021-05-30 This book centers on one fundamental question is it possible to imagine a progressive sense of nation Rooted in historic and contemporary social struggles the chapters in this collection examine what a progressive sense of nation might look like with authors exploring the theory and practice of the nation beyond nationalism The book is written against the background of rising authoritarian

nationalist movements globally over the last few decades where many countries have witnessed the dramatic escalation of ethnic nationalist parties impacting and changing mainstream politics and normalizing anti immigration anti democratic and Islamophobic discourse This volume discusses viable alternatives for nationalism which is inherently exclusionary exploring the possibility of a type of nation based politics which does not follow the principles of nationalism With its focus on nationalism politics and social struggles this book will be of great interest to students and scholars of political and social sciences

State and Revolution in Cuba Robert Whitney,2017-11-01 Between 1920 and 1940 Cuba underwent a remarkable transition moving from oligarchic rule to a nominal constitutional democracy The events of this period are crucial to a full understanding of the nation s political evolution yet they are often glossed over in accounts that focus more heavily on the revolution of 1959 With this book Robert Whitney accords much needed attention to a critical stage in Cuban history Closely examining the upheavals of the period which included a social revolution in 1933 and a military coup led by Fulgencio Batista one year later Whitney argues that the eventual rise of a more democratic form of government came about primarily because of the mass mobilization by the popular classes against oligarchic capitalism which was based on historically elite status rather than on a modern sense of nation Although from the 1920s to the 1940s politicians and political activists were bitterly divided over what popular and modern state power meant this new generation of politicians shared the idea that a modern state should produce a new and democratic Cuba

Francisco Giner de los Rios Solomon Lipp,2006-01-01 During the nineteenth century traditional Catholic Spain and its decadent intellectual climate was challenged by liberal Europeanizing influences It had happened before but this time the status quo was threatened by Krausism an idealistic doctrine of universal harmony and rational freedom In the ensuing culture clash Francisco Giner de los Rios 1839 1915 a leading exponent of Krausist thought provided the dominant influence on Spanish intellectuals engaged in the areas of education law literature and science This outstanding contribution to Spanish cultural history by Solomon Lipp author of Leopoldo Zea and Three Chilean Thinkers introduces the political and philosophical reactions to Krausism through the thought and personality of the man who dreamed one day of a new flowering of Spain Francisco Giner de los Rios

Specialia ,1969 *Pragmatism in the Americas* Gregory Fernando Pappas,2011 In the last ten years investigators worldwide have focused on the connections between the philosophy of classical figures in American pragmatism e g William James Charles Peirce and John Dewey and the Hispanic world Pragmatism in the Americas examines the intersection between these two traditions advancing new and unexplored realms of Western philosophy and uncovering new relationships The book will prove an invaluable source for philosophers and philosophy students as well as for scholars from other disciplines e g history political science sociology diversity studies and gender and race studies to begin understanding the dynamic relationship in thinking between the two Americas In addition to documenting the results of a new and thriving area of research it can also function as a primer to direct and provoke further inquiry Its essays from North American Spanish and

Latin American scholars fill a void in the humanities and introduce a number of Hispanic pragmatists who have not been included in standard pragmatist texts **Meta-Luxury** M. Ricca,R. Robins,2012-04-26 Meta Luxury sets out to define the ultimate meaning of true luxury exploring it as both a culture and business model Through the concept of Unique Achievement and the drivers of Craftsmanship Focus History and Rarity the authors examine what is at the heart of true luxury through a unique series of conversations The Southwestern Political and Social Science Quarterly ,1926 World Philosophies Ninian Smart,1999 World Philosophies is a comprehensive survey of the world's philosophical and religious traditions by one of our foremost religious thinkers Ninian Smart discusses notable figures such as Plato and Kierkegaard in the West the Buddha and Mao Zedong in Asia Tempels and Knibanga in Africa and Rodo and Royce in America Covering a wide range of topics including Indian ideas of testimony and evidence Chinese notions of moral development Buddhist concepts of cosmology and Latin American critiques of materialism Smart sheds new light on the astonishing diversity of philosophies that have developed throughout history Southwestern Political and Social Science Quarterly ,1926 Includes section Book reviews **A Catalog of Books Represented by Library of Congress Printed Cards Issued to July 31, 1942** ,1942 **Suggested Reading in Twentieth Century Literature** Vassar College. Depts. of Modern Languages,1927 Hispania ,1918 **The Future of Latin America** Agustín A. Gordillo,2003 Assumes that corruption is the root of Latin America's economic social and political problems Proposes the creation of a supranational Inter American State comprising those Latin American countries willing or in need to participate with the added minority and participation of representatives of both the European Union and the United States in order to obtain mutual and external aid in good public governance **Americas (English Ed.)** ,1957
