Re'Al "Bull" Oney, Re Al Bull Oney, 2006-02 I listened to them speak their language and thought that I understood some of their tongue Could this be I ventured even closer and listened further My heart was pounding with joy Though these people were light years away from Mars they possessed almost the same tongue language that we had learned in our lesser institutions on Mars Imagine that It seemed as though they now spoke about themselves and it was in an archaic mode of time for they spoke of the quickness of their travel and the prominence of the Pharaoh Pharaoh I once had read about such Pharaoh people in our history volumes which lived on Mars thousands of years ago I was beginning to now

understand that this planet was not as progressed as Mars had been maybe this is good I thought very well for us Thank you Dargod I whispered to myself It was as though Dargod was always with me wherever I went I had been on Earth only three sunrises and I had already found that this soil was like Mars s only with different dimensions The inhabitants here were nearly the same But were they friendly The Last Refuge Craig Robertson, 2014-05-22 You can run from your past but you can never hide from yourself When John Callum arrives on the wild and desolate Faroe Islands he vows to sever all ties with his previous life He desperately wants to make a new start and is surprised by how quickly he is welcomed into the close knit community But still the terrifying debilitating nightmares just won t stop Then the solitude is shattered by an almost unheard of crime on the islands murder A specialist team of detectives arrives from Denmark to help the local police who seem completely ill equipped for an investigation of this scale But as tensions rise and the community closes rank to protect its own John has to watch his back But far more disquieting than that John's nightmares have taken an even more disturbing turn and he can t be certain about the one thing he needs to know above all else Whether he is the killer You Love Me Caroline Kepnes, 2021-04-06 NEW YORK TIMES BESTSELLER Can t get enough of Joe Goldberg Don't miss the latest thriller in Caroline Kepnes's compulsively readable You series with an all new plot not seen in the blockbuster Netflix show Fiendish fast paced and very funny Paula Hawkins 1 New York Times bestselling author of The Girl on the Train NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE Joe Goldberg is done with the cities He s done with the muck and the posers done with Love Now he s saying hello to nature to simple pleasures on a cozy island in the Pacific Northwest For the first time in a long time he can just breathe He gets a job at the local library he does know a thing or two about books and that s where he meets her Mary Kay DiMarco Librarian Joe won t meddle he will not obsess He ll win her the old fashioned way by providing a shoulder to cry on a helping hand Over time they ll both heal their wounds and begin their happily ever after in this sleepy town The trouble is Mary Kay already has a life She s a mother She s a friend She's busy True love can only triumph if both people are willing to make room for the real thing Joe cleared his decks He's ready And hopefully with his encouragement and undying support Mary Kay will do the right thing and make room for him
