

Mom

If roses grew in heaven, Lord
Please pick a bunch for me.

Place them in my mother's arms and tell her
they're from me.

Tell her that I love and miss her and when she
turns to smile,

Place a kiss on her cheek and hold her for a
while.

Because remembering her is easy,
I do it every day.

But there is an ache within my heart that
never goes away.

Happy Mother's
Day

Stop Weighting Ramya Subramanian, 2022-12-05 Ramya, the confident superstar and influencer of today, was once a naive and self-conscious teenager who suffered bullying and body shaming. Just as any other insecure adolescent would, she began a long and tortuous journey to become thin. Ludicrous crash diets, intense workouts at the gym, and an all-pervading sense of inferiority afflicted her for nearly a decade. In the midst of this, Ramya was catapulted into fame at an early age when she got her first break as a television anchor. But with the media attention came all the toxic side effects of being a celebrity. Until she decided to take back control over her life. Today, Ramya is healthier and happier than she has ever been. In *Stop Weighting*, we find out how she achieved this. Digging into stories, mistakes, and life lessons, the book draws from the highs and lows of Ramya's personal fitness journey with the hope that it will help others to lay the groundwork for their own. She busts the myths around fitness and helps readers establish safe and sustainable methods to become healthier without false promises or crazy diets. Surprisingly deep even in its light, funny, and conversational tone, the book is integrated with tables and exercises, making it a holistic guide to discovering a healthier, fitter, and happier you.

Wild Reckless Ginger Scott, 2015-03-17 Kensington. Worth had a vision for her senior year. It involved her best friends, her posh private school in downtown Chicago, and time alone with her piano until her audition was perfected, a guaranteed ticket into the best music programs in the world. Instead, a nightmare took over. It didn't happen all at once, but her life unraveled quickly, a tiny thread that evil somehow kept pulling until everything precious was taken from her. She was suddenly living miles away from her old life, trapped in an existence she didn't choose, one determined to destroy her from the inside, leaving only hate and anger behind. It didn't help that her neighbor, the one whose eyes held danger, was enjoying every second of her fall. Owen Harper was trouble, his heart wild, and his past the kind that's spoken about in whispers. And somehow, his path was always intertwined with Kensington's, every interaction crushing her, ruining her hope for any future better than her now. Sometimes, though, what everyone warns is trouble is exactly what the heart needs. Owen Harper was consumed with darkness, and it held onto his soul for years. When Kensington looked at him, she saw a boy who'd gotten good at taking others down when they threatened his carefully balanced life. But the more she looked, the more she saw other things, too good things, things to admire, things to love, things that made her want to be reckless. And those things, they were the scariest of all.
