Homosexual Rites Of Passage Homosexual Rites Of Passage:

Homosexual Rites of Passage Marie Mohler, 2013-12-02 Homosexual Rites of Passage A Road to Visibility and Validation will help you as a gay or lesbian individual work through identity issues come out and become visible in a healthy and safe manner You will find this unique book to be an excellent resource for validation and support during your courageous acts of personal growth Furthermore you will discover a positive affirmation of homosexual identities as well as issues that impede or prevent your positive homosexual identity formation Homosexual Rites of Passage facilitates your journey toward visibility and personal validation by naming fear and shame as obstacles of your growth and describing affirming homosexual rites of passage so that you will not feel alone in your journey through life Throughout Homosexual Rites of Passage you will explore the essential relationship between homosexual identity development and rites of passage or life experiences or events that mark emotional familial and growth transitions in your life and that they are different for homosexuals than for heterosexuals Compelling and informative this important book discusses how homophobia and homosexuals internalized shame often cause these rites of passage to be ignored or not considered valid rituals for gay men and lesbians You will find helpful and insightful ideas in this informative book to help you affirm your homosexual identity such as discovering the definitions of the stages of homosexual identity formation and their significance in defining your view of self and others examining outlines and descriptions of obstacles that prevent positive homosexual identity development such as fear shame and guilt learning to address the role and significance of rites of passage in creating personal identity and space analyzing the description of rites of passage that is specific to the homosexual community and that covers developmental milestones from birth to death such as coming out or choosing a life partner Homosexual Rites of Passage will assist your homosexual identity development through the celebration of homosexual rituals and rites of passage in a positive effective way This valuable book addresses the issues that may impede your positive homosexual identity development and provides you with strategies to heal wounded and shamed identities as well as providing you with a thorough description of homosexual rites of passage to help you understand and validate your homosexual identity **The Therapist's Notebook for Lesbian, Gay, and Bisexual Clients**

Joy S. Whitman, Cynthia J. Boyd, 2013-12-19 Most therapy is set up in a heterosexist context Explore the issues facing your gay lesbian and bisexual clients and how to deal with them The Therapist's Notebook for Lesbian Gay and Bisexual Clients offers therapists treating lesbian gay and bisexual clients innovative practical interventions plus homework and hands on activities tailored to these populations Use the notebook to explore the issues surrounding coming out homophobia in the workplace spirituality identity formation and issues that require a non heterosexist approach such as domestic violence and relationship concerns Grounded in current theory each chapter explains the rationale for the activity it proposes includes contraindications and provides a list of helpful resources for therapists and clients Here are just a few of the issues this extraordinary book explores in its four thoughtfully planned sections Section I Homework Handouts and Activities for Coming

Out and Managing Homophobia and Heterosexism addresses conflicts in self perceptions obstacles to the growth of a healthy GLB identity dealing with the trauma and anxiety that result from discrimination using semi hypnotic visualization to treat internalized homophobia helping bisexuals decide whether to come out or to pass coping with internalized homophobic messages dealing with heterosexism in the workplace or at school Section II Homework Handouts and Activities for Relationship Issues will help you and your clients understand and work on issues involving choosing the right partner intimacy and gender roles financial stability assimilation queer pride and everything in between how ethnicity and coupling impact sexual identity negotiating a healthy open relationship sexual concerns sexual dysfunction and pleasuring sexual role values for bisexual and lesbian women Section III Homework Handouts and Activities for Gender Ethnic and Sexual Identity Issues addresses who am I issues sexual orientation and gender identity the intersection of sexual and ethnic identity oppression on multiple fronts gender exploration for lesbians Section IV Homework Handouts and Activities for Specific Issues tackles concepts including enhancing resilience through spirituality reconciling with religion spiritual wellness and the spiritual autobiography body image disturbances unwanted sexual behavior creating a safety plan in case of same sex domestic violence alienation and finding a caring community medication adherence for HIV clients the difficulties faced by coupled lesbians with children family care planning addiction and recovery healing from the wounds of homophobia relationships with ex partners managing workplace stress If you re new to treating lesbian gay and bisexual clients you ll find rich material based in current literature to guide your work If you ve already worked extensively with LGBT clients the activities and fresh innovative strategies in The Therapist s Notebook for Lesbian Gay and Bisexual Clients will expand and invigorate your skills

Ritualized Homosexuality in Melanesia Gilbert H. Herdt, 2023-04-28 This book contains the work of seven leading anthropologists on the subject of ritualized homosexuality and it marks the first time that anthropologists have systematically studied cross cultural variations in homosexual behavior in a non Western culture area The book as a whole indicates that contemporary theories of sex and gender development need revision in light of the Melanesian findings This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1984 This book contains the work of seven leading anthropologists on the subject of ritualized homosexuality and it marks the first time that anthropologists have systematically studied cross cultural variations in homosexual behavior in a non Western culture

Introducing the New Sexuality Studies Steven Seidman, Nancy L. Fischer, Chet Meeks, 2011-02-25 Breaking new ground both substantively and stylistically this book offers students academics and researchers an accessible engaging introduction and overview of the emerging field of sexuality studies

The Gay Teen Gerald Unks, 1995 Written by and for gay and straight teachers this book explores gay student adolescence from

discursive practical and theoretical perspectives Essays are designed to introduce and sensitize educators to the complexities of gay identity and set forth some of the issues besetting gay youth in schools alienation from peer groups low academic achievement violence substance abuse and the absence of gay teacher role models Gay Culture in America Gilbert Herdt,1993-01-31 Groundbreaking anthology exploring the cultural and developmental experiences of gay men in America today **Handbook of the New Sexuality Studies** Steven Seidman,Nancy Fischer,Chet Meeks,2007-03-12 As the field of sexuality studies has become a growth area in academia and classes on sexuality studies are incorporated into various disciplines the expanding book market has been filled with specialist oriented texts which are often theoretically focused and contain too many summaries for an undergraduate audience Addressing this imbalance this key new volume presents the field of sexuality in an accessible and engaging way for undergraduates Breaking new ground both substantively and stylistically this book offers students academics and researchers an accessible engaging introduction and overview of this emerging field Its central premise is to explore the social character of sexuality the role of social differences such as race or nationality in creating sexual variation and the ways sex is entangled in relations of power and inequality Through this novel approach the field of sexuality is considered for the first time in multicultural global and comparative terms and from a truly social perspective This important volume consists of over fifty short and original essays on the key topics and themes in sexuality studies and interviews with twelve leading scholars in the field which convey some of the most innovative work being done Each contribution clearly conveys the latest research with examples Ideal for students of gender and sexuality studies this topical and timely volume will be an invaluable resource to all those with an interest in sexuality studies

Manhood in the Making David D. Gilmore,1990-01-01 Offers a cross cultural study of manhood as an achieved status and looks at two androgynous cultures that are exceptions to the manhood archetype *Stories of Gay and Lesbian Immigration* John Hart,2014-04-04 Share the personal stories of gay and lesbian couples who immigrated to Australia This fascinating book examines the Australian government s innovative immigration program for same sex couples Covering the time from the early 1980s to 2000 *Stories of Gay and Lesbian Immigration Together Forever* offers a powerful glimpse into the gains and costs of immigration Its twenty year span offers insight into both immediate and long term implications of this policy *Stories of Gay and Lesbian Immigration* intertwines the personal stories of gay and lesbian immigrants including the author with thoughtful detailed political analysis This groundbreaking book analyzes the Australian government s reasons for recognizing the validity of same sex couples It also scrutinizes the emotional and social implications of government policies for these couples *Stories of Gay and Lesbian Immigration* explores the issues immigrant same sex couples faced including HIV AIDS proving homosexuality migration stress dealing with bureaucracy financial dependency success and failure in relationships *Stories of Gay and Lesbian Immigration* will be of interest to political scientists historians of gay and lesbian culture policymakers seeking to change immigration laws and anyone interested in this aspect of gay and lesbian relationships

William Golding John Carey, 2010-06-01 In 1953 William Golding was a provincial schoolteacher writing books on his breaks lunch hours and holidays His work had been rejected by every major publisher until an editor at Faber and Faber pulled his manuscript off the rejection pile This was to become Lord of the Flies a book that would sell in the millions and bring Golding worldwide recognition Golding went on to become one of the most popular and influential British authors to have emerged since World War II He received the Booker Prize for the novel Rites of Passage in 1980 and the Nobel Prize for Literature in 1983 Stephen King has stated that the Castle Rock in Lord of the Flies continues to inspire him so much so that he named his entertainment company after it and has placed the Golding novel prominently in his novels Hearts in Atlantis and Cujo Golding has been called a British Vonnegut disheveled and darkly humorous perverse when it would have been easier to be bitter bitter when it would have been easier to be lazy sometimes more disturbing than he is palatable and above all fascinating beyond measure Yet despite the fame and acclaim the renowned author saw himself as a monster a reclusive depressive ruled by his fears and a man who battled alcoholism throughout his life In addition to being a schoolteacher Golding was a scientist a sailor and a poet before becoming a bestselling author and his embitterment and alienation his family the women in his past along with his experiences in the war inform his work This is the first book to unpack the life and character of a man whose entire oeuvre dealt with the conflict between light and dark in the human soul tracing the defects of society back to the defects of human nature itself Drawing almost entirely on materials that have never before been made public John Carey sheds new light on Golding Through his exclusive access to Golding's family Carey uses hundreds of letters unpublished works and Golding's intimate journals to draw a revelatory and definitive portrait An acclaimed critic Carey enriches crucially our appreciation of the literary work of Golding bringing us as the best literary biographies do back to the books And with equal parts lyricism and driving emotion Carey brings to light a life that is extraordinary to the point of transcendent and a writer who trusted the imagination above all things Social Perspectives in Lesbian and Gay Studies Peter M. Nardi, Beth E. Schneider, 2013-09-13 This comprehensive reader brings a social science perspective to an area hitherto dominated by the humanities Through it students will be able to follow the story of how sociology has come to engage with gay and lesbian issues from the 1950s to the present from the earliest research on the underground worlds of gay men to the emergence of queer theory in the 1990s Bringing together classic readings and the best work of younger scholars from all parts of the English speaking world this reader will be an invaluable resource for courses at undergraduate and graduate level in all areas of the sociology of sexuality and gender Separate sections cover theoretical foundations identity and community making institutions and social change challenges for the future Each section begins with an introduction giving readers a brief guide to the readings in that section contextualises them and relates them to one another and the book ends with an afterword by Ken Plummer summing up the present state of play and looking forward to the future Gay, Lesbian, Bisexual, and Transgender People with Developmental Disabilities and Mental

Retardatio John D Allen, 2014-01-21 Experience the birth of the first support group for sexual minorities with developmental disabilities Reflecting an unprecedented development in the disabled and sexual minority communities Gay Lesbian Bisexual and Transgender People with Developmental Disabilities and Mental Retardation Stories of the Rainbow Support Group describes the founding achievements and history of a unique group providing support for people with developmental disabilities or mental retardation DD MR who are gay lesbian bisexual and transgender In this pathbreaking book group founder John D Allen describes the Rainbow Support Group s beginnings in 1998 at the New Haven Gay Lesbian Community Center in Connecticut and the ways in which it has been shattering myths and stereotypes surrounding people with mental retardation ever since From the author Not only are people with DD MR full human beings with the same needs and desires for intimacy and healthy sexual expression as people without intellectual disabilities but the group is evidence that some people with DD MR have an understanding of sexual orientation as well Acknowledging that people with mental retardation are sexual is a new development in the human service field but one that is still in the pre Stonewall days regarding those who are gay Although people with mental retardation are given unprecedented freedom to make personal vocational decisions there is an unfounded expectation that they do not have a sexuality let alone a homosexuality Members of the Rainbow Support Group discuss the same concerns as other gay people but in a support system that recognizes their unique perspective This insightful book shows how membership in the Rainbow Support Group addresses the very real fears and concerns of its members including being forced into heterosexual social situations since that is the only available option for socialization dealing with being outed to peers and staff since many DD MR people are not their own legal guardians this can lead to removal of privileges various kinds of abuse and other negative consequences in their day to day lives being ridiculed by unsupportive staff being excluded from family functions because of their sexual orientation It also illustrates the purely positive aspects of membership in the group which provides a place to learn appropriate ways to meet others hear messages about safe sex and feel empowered to advocate for their own intimacy needs an increased chance of finding a like minded partner although the group is certainly not a dating service an avenue for members to connect with others like them and with the larger gay community in the area events to participate in such as holiday parties field trips movie nights and gay pride celebrations The author continues What is exciting are the positive outcomes displayed once an individual enters the group Members quickly develop a sense of ownership and wear rainbow emblazoned clothing to meetings Everyone has joined the host community center to begin receiving regular mailings and event discounts Supervising staff report that members perform better at work have fewer behavioral issues and experience a greater feeling of contentment For people with mental retardation just to be able to say the words gay lesbian bisexual and transgender in an affirming environment is a cutting edge breakthrough What the group has accomplished and will hopefully continue to illuminate is the understanding that people with DD MR are entitled to a whole life experience including discovering and enjoying their sexuality **Gay,**

Lesbian, Bisexual, and Transgender People with Developmental Disabilities and Mental Retardation John Darrett Allen, 2003 Reflecting an unprecedented development in the disabled and sexual minority communities this book describes the founding achievements and history of a unique group providing support for GLBT people with developmental disabilities or mental retardation In this pathbreaking book group founder John D Allen describes the Rainbow Support Group's beginnings in 1998 at the New Haven Gay Lesbian Community Center in Connecticut and the ways in which it has been shattering the myths and stereotypes surrounding people with mental retardation ever since

Understanding Youth Mary Jane Kehily, 2007-02-22 The series Youth Perspectives and Practice provides a distinctive combination of expert commentary new research original theorising and critical reflection on how we should understand youth and work with young people These books deserve a wide readership the way they are written and organised will make them particularly appealing to students Professor Robert MacDonald University of Teesside I have found that these books have enlightened and further developed my understanding of young people and are an excellent point of reference to support my work in this field Carolyn Moore Youth Worker Young people's lives have changed in dramatic ways in recent years Important transformations have taken place in the social structures and processes shaping young lives including education the loss of the traditional youth labour market and shifts in the nature of family and intimate relationships Understanding Youth Perspectives Identities and Practices engages with these changing experiences By drawing on recent research and the insights of young people the book provides a clear and comprehensive overview of youth in late modernity Part 1 Perspectives presents three different ways of conceptualising and understanding youth Part 2 Identities considers issues of self and identity Part 3 Practices explores the everyday practices that give shape to young people's lives The book adopts an interdisciplinary approach and presents complex issues in an accessible and interactive way It will be essential reading for students on courses in youth work youth studies education social work and social policy and for professionals working with young people in a wide range of settings Together with its companion volume Youth in Context Frameworks Settings and Encounters it is a core text for The Open University's third level undergraduate course Youth Perspectives and Practice KE308 Mary Jane Kehily is Senior Lecturer in Childhood and Youth Studies at The Open University

Remaking Men David Tacey, 2013-10-23 The nature of masculinity is a popular subject for contemporary authors either treated critically from a sociological standpoint or analysed from a psychological and spiritual perspective In Remaking Men David Tacey argues that we must strive to bridge the gap between these separate traditions masculinity should neither be hijacked by the spiritual Jung influenced men's movement nor discussed merely as a product of socio-political forces Examining his own and other men's experience in a critical and lively discourse he evades the simplistic optimism of the inner journey approach and the chronic pessimism of contemporary academic arguments This is a fascinating and very accessible look at masculinity for those who want to explore self and society with intelligence and soul

On Being a Gay Parent Brett

Webb-Mitchell,2007-10-01 This practical down to earth guide to being a gay Christian parent is filled with interesting stories simple anecdotes creative ideas and thoughtful reflections while raising up important issues facing gay and lesbian headed households in contemporary American society Includes a list of resources helpful in addressing often surprising issues simple day to day tasks and crucial decisions around being a gay or lesbian parent in today s world Gay Men in Modern

Southern Literature William Mark Poteet,2006 The concept of masculinity has had a profound influence on modern gay written and gay themed American Southern literature Much of the fiction and drama of three important contemporary writers Tennessee Williams Charles Nelson and Reynolds Price has been shaped by the cultural dynamics of the Southern tradition of codified definitions and parameters of masculinity This regional approach to literature also serves as critically protective maintaining its focus in an effort to avoid essentializing experience and identity Gay Men in Modern Southern Literature will be a valuable asset in the study of gender construction literary theory and modern American Southern writing Publisher s website *Fingering Netsukes* Frédéric Regard,1995 *The Science of Sacrifice* Susan L. Mizruchi,1998-05-04

From ritual killings to subtle acts of self denial the practice and rhetoric of sacrifice has a special centrality in modern American literature In a compelling interdisciplinary investigation Susan Mizruchi portrays an episode in American cultural history when the literary movement of realism and the fledgling field of sociology both converged in the belief that sacrifice is basic to sociality This is a book about the fascination that sacrifice held for writers principally Herman Melville Henry James and W E B Du Bois and also for those who articulated the main tenets of modern social theory an inquiry that eventually spans historical events such as public lynchings and the political scapegoating of immigrants a century ago The execution in Billy Budd Sailor the death of Du Bois s first born son in *The Souls of Black Folk* Henry James s preoccupation with renunciation and scapegoating and the self denying working classes of Norris and Stein all illustrate repeated stagings of sacrificial rituals from a Biblical past For Mizruchi the peculiar persistence of this aesthetic construct becomes a guide to a rich theological and social scientific tradition distinctive to the late nineteenth and early twentieth centuries and including such influential works as Smith s *Lectures on the Religion of the Semites* Frazer s *Golden Bough* and Ross s *Sin and Society* The major features of sacrifice its original association with spiritual doubt its function as a form of spiritual economics that sustained divisions between the fortunate and the bereft and its role in fixing boundaries between aliens and kin held strong symbolic value for writers struggling to reconcile faith with rationalism and communal coherence with capitalist expansion Mizruchi eloquently demonstrates how the conceptual power of sacrifice made it a key mediator of cultural change from the decline of sympathy and the significance of race in an emerging multicultural society to the revival of maternal self sacrifice

The Missing Myth Gilles Herrada,2013-02-26 In *The Missing Myth* Gilles Herrada tackles the many questions about the role and meaning of homosexuality in the evolution of our species and the development of civilization what evolutionary edge same sex relationships have provided to the human species what biological mechanisms generate the sexual diversity that we

observe why homosexual behavior ended up being prohibited worldwide why homophobia has persisted throughout history why the homosexual community resurfaced after World War II and others In this heartfelt beautifully written and painstakingly researched text the author sculpts a vision of homosexuality that integrates its many dimensions Stressing the connection between the social status of homosexuality and how same sex love is depicted in the myths of a particular culture The Missing Myth advocates the creation of a new mythos not only informed by all the fields of knowledge but also inclusive of the beauty truth and goodness of same sex love

Homosexual Rites Of Passage Homosexual Rites Of Passage Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Homosexual Rites Of Passage Homosexual Rites Of Passage PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Homosexual Rites Of Passage Homosexual Rites Of Passage PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Homosexual Rites Of Passage Homosexual Rites Of Passage free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
