Cooking delicious soul-warming Southern food that the whole family will love has never been easier. Whether it's a big pot of black-eyed peas, fall-apart tender pulled pork, or creamy apple butter, the greatest Southern dishes have one thing in common: they taste best when they're cooked low and slow. With more than sixty recipes for down-home favorites ranging from Chicken and Cornmeal Dumplings to Buffalo Stout Beer Chili to Brown Beans and Fatback, The Southern Slow Cooker is packed with real Southern flavor. Author Kendra Bailey Morris presents regional classics from all over the South: church potlucks, Cajun and Creole traditions in the bayou, even her West Virginia granny's old recipe book. Morris carefully tested and adapted each recipe for the home kitchen, and the result is a treasure for busy home cooks everywhere. With hardly any active cooking time and featuring affordable ingredients, every dish is simple, convenient, and downright delicious. All of these satisfying, flavor-packed, and wonderfully simple recipes allow you to make the food you love in the time you have available, and will have you and your family begging for seconds. **Slow Cooker Revolution Volume 2: The Easy-Prep Edition** America's Test Kitchen, 2013-09-01 Discover even more crowd-pleasing slow cooker recipes, all developed and approved by the experts at America's Test Kitchen.
