ABSTRACT

The ongoing debate regarding how to formulate an entrepreneurship policy is globally vital so it is pertinent to understand the other dimensions also. By using a broad spectrum of space and time, and covering heterogeneous correlation the why, what if, where etc. regarding policy framework and deeper fundamentals of global economic understanding as well as misunderstanding is explored on an intersubjective context. By multi-stage data substantiation, analysis and literature review the direction and important determinants of policy framework are examined.
