Pro Gaming Tips: Halo Reach Nicholas Greene, 2012-02-08 ABOUT THE BOOK Halo Reach is the latest installment and goes back to Halo s roots in more ways than one Set around one of the most frequently referenced events in the Haloverse The Fall of Reach Reach puts you in the shoes of Noble 6 an unnamed Spartan fighting a doomed battle to save the planet Dual wielding s gone health is back and equipment now takes the form of different classes with different weapon loadouts and special abilities such as sprinting cloaking or flight If you re reading this guide you re either new to the Halo franchise and looking to get a leg up on all the experienced players who ve already been at it for around a year or you ve already played the previous titles and you want to eliminate any learning curve you might hit Either way this guide will help you

MEET THE AUTHOR Nick s been writing since he was old enough to hold a pen After graduating from the University of Calgary with a BA in English he spent a year working at a thrift store before realizing his life was going nowhere He dropped the job took up a career as a professional writer and hasn t looked back since That was almost a year ago Since then he s written for a number of different blogs and clients He most enjoys writing about gaming and technology two passions that take almost as much precedence in his life as his love for the written word

EXCERPT FROM THE BOOK In team games you are not a lone wolf and you are not some unflappable champion who will singlehandedly carry his teammates to victory You are one of many Use your headset to communicate with your team Tell them where your opponents are Let them know where you re hanging out Tell them who has what weapons Treat them as allies rather than competition The best teams and the ones that usually win are those that work as a cohesive organized unit Skill certainly plays an important role but it s not the only thing that s important Accept that everyone has a certain role to play If someone takes a weapon you really wanted to use don t get angry at them Instead adapt find some other way to contribute to the game And don t insult your teammates You can t expect them to feel motivated to contribute to victory if they ve someone on their side screaming at them every time they make a mistake Finally if you re having trouble with a player on your team or

another team remember that the mute function exists for a reason Ignore them and don't let their trash talk get to you After all you're here to have fun right Buy a copy to keep reading
