ECIAIR 2019 European Conference on the Impact of Artificial Intelligence and Robotics Dr Paul Griffiths ,Dr. Mitt Nowshade Kabir ,2019-10-31

Socially Responsive Organizations & the Challenge of Poverty Milenko Gudić, Al Rosenbloom, Carole Parkes, 2017-09-08 This book provides a combination of case studies and current action research describing how businesses and civil society organizations are working to alleviate poverty in local and global communities It intends to provide conceptual and research rationales for why management education and management institutions must address the issue of poverty The book responds to one of the major findings from the research of the PRME Working Group on Poverty that the topic of poverty still lacks a strong business case for management educators and program institutional administrators The distinctive features of this book are that it 1 includes examples of small and medium sized SME businesses 2 deals with the issue of poverty as a human rights violation 3 explores the issue of absolute versus relative poverty 4 deals with leadership challenges in organizations committed to poverty alleviation and 5 discusses the issues in terms of management education s responsibility for setting new management research institutional and intellectual agendas The first of two books to be produced by the PRME Working Group on Poverty Socially Responsive Organizations and The Challenge of Poverty aims to provide both researchers and practitioners with the most wide ranging coverage yet published on how business can be a positive force in alleviating poverty and how management education needs to adapt to this increasingly crucial prerogative

Evolving Issues

Surrounding Technoethics and Society in the Digital Age Luppici, Rocci, 2014-06-30 The advancement of technologies in the 20th century has radically transformed the interconnectedness of humans science and technology within an evolving society Evolving Issues Surrounding Technoethics and Society in the Digital Age serves as an interdisciplinary base of scholarly contributions on the subject of technoethics a field that deals with current and future problems that arise at the intersection of science technological innovation and human life and society This premier reference work leverages ethical analysis risk analysis technology evaluation and the combination of ethical and technological analyses within a variety of real life decision making contexts appealing to scholars and technology experts working in new areas of technology research where social and

ethical issues emerge **Business Integrity in Practice** Agata Stachowicz-Stanusch,2012-11-18 The quest for integrity in business is not only a reaction against malfeasance in business and associated calls for reform but also a search that stems from changes and new demands in the global business environment Among the sources of these new demands are the expectations of stakeholders that corporations and their leaders will take more active roles as citizens within society and in the fight against some of the most pressing problems in the world such as poverty environmental degradation defending human rights corruption and pandemic diseases This book presents and critically discusses key case studies from all over the world offering essential insights practical advice and guidance for any business leader wishing to lead an organization with reliable and proven integrity The authors provide valuable research results as well as real teaching tools for faculty and students *Future Advancements for CSR and the Sustainable Development Goals in a Post-COVID-19 World* Pérez, Andrea,2021-09-17 The COVID 19 global pandemic has had a profound impact on the global business community Amidst the ongoing crisis countries around the world are opening up again to a business world in which both consumer behaviors and company practices have started to change Numerous companies are using corporate social responsibility to demonstrate their commitment to fighting against COVID 19 and alleviating the negative consequences of the pandemic for their stakeholders due to this corporate social responsibility is expected to become a core issue for managers and researchers in the post pandemic era Future Advancements for CSR and the Sustainable Development Goals in a Post COVID 19 World discusses the challenges and opportunities of corporate social responsibility and studies the reactions to the COVID 19 global pandemic that may lead to changes in corporate social responsibility corporate approaches to sustainable development goals and stakeholders reactions to the post COVID 19 era This book addresses the opportunities for businesses to shift towards more genuine and authentic corporate social responsibility that contributes to addressing urgent social and environmental challenges Covering topics from social entrepreneurship typologies to sustainability leaders this book is ideal for managers executives entrepreneurs business professionals and practitioners policymakers academicians researchers and students

Corporate Social Performance Agata Stachowicz-Stanusch,2016-10-01 Corporate Social Performance reflecting on the past and investing in the future is aimed at filling the fundamental gap that exists in our understanding of the drivers Corporate Social Performance its evolution and relationships with the existing concepts and theories and the paradoxes that come from those connections Moreover the volume aims at shedding the light on most important pitfalls that may occur while CSP application in business practice The last but not least reason for its publishing is to show Corporate Social Performance as a significant pathway to the better world that as I hope will be the inspiration for the readers This book is authored by a range of international experts and scientists from all over the world with a diversity of professional and cultural backgrounds what hopefully will give the readers the opportunity to understand the CSP concept from different perspectives
