Equitable Literacy Instruction for Students in Poverty Doris Walker-Dalhouse, Victoria J. Risko, Differences in performance between students of poverty and more advantaged students are reflective of an opportunity gap as opposed to a gap in student ability This book argues that significant attention must be given to eliminating the barriers that produce educational inequities in student achievement Walker Dalhouse and Risko focus on disparities in literacy achievement that might be attributed to color blind practices deficit mindsets low expectations or context neutral practices Situating literacy learning within a comprehensive view of literacy development they provide a set of instructional practices that will best support students living in poverty Specifically vignettes from kindergarten through middle school classrooms are used to demonstrate practices that address critical areas of the reading process are responsive to students racial ethnic cultural gender and linguistic histories and assets attend to students strengths and needs and go beyond the impact of short term testing to support optimal and sustainable learning Educators and school leaders can use this resource to transform schools into nurturing and vibrant communities that are committed to change equity and diversity Book Features Provides recommendations and detailed guidance for enacting literacy instruction that will close opportunity gaps for students living in poverty Includes vignettes from leading literacy educators and researchers that demonstrate high quality literacy instruction implemented in K 8 classrooms Presents instruction that is responsive to differences and honors the languages literacies and cultural resources that students bring to their learning Offers specific recommendations and practices that can guide advocacy for change The authors correct the deficit misperceptions by showing how students experiencing poverty are the targets not the causes of educational disparities What a different world schools would be if we each embraced these lessons From the Afterword by Paul C Gorski founder Equity Literacy Institute

(Re)Imagining Elementary Social Studies

Sarah B. Shear, Christina M. Tschida, Elizabeth Bellows, Lisa Brown Buchanan, Elizabeth E. Saylor, 2018-01-01 The field of elementary social studies is a specific space that has historically been granted unequal value in the larger arena of social studies education and research This reader stands out as a collection of approaches aimed specifically at teaching controversial issues in elementary social studies This reader challenges social studies education i.e. classrooms teacher education programs and research to engage controversial issues those topics that are politically religiously or are otherwise ideologically charged and make people especially teachers uncomfortable in profound ways at the elementary level This reader meant for elementary educators preservice teachers and social studies teacher educators offers an innovative vision from a new generation of social studies teacher educators and researchers fighting against the forces of neoliberalism and the marginalization of our field The reader is organized into three sections 1 pushing the boundaries of how the field talks about elementary social studies 2 elementary social studies teacher education and 3 elementary social studies teaching and learning Individual chapters either A conceptually unpack a specific controversial issue e.g. Islamophobia Indian Boarding Schools LGBT issues in schools and how that issue should be incorporated in an elementary social studies methods courses and classrooms or B present research on elementary preservice teachers or how elementary teachers and students engage controversial issues This reader unpacks specific controversial issues for elementary social studies for readers to gain critical content knowledge teaching tips lesson ideas

and recommended resources

Endorsement Re Imagining Elementary Social Studies is a timely and powerful collection that offers the best of what social studies education could and should be. Grounded in a politics of social justice, this book should be used in all elementary social studies methods courses and schools in order to develop the kinds of teachers the world needs today. Wayne Au, Professor, University of Washington Bothell, Editor, *Rethinking Schools*. **Culturally and Linguistically Responsive Teaching and Learning** Sharroky Hollie, 2017-07-15. Written to address all grade levels, this K-12 classroom resource provides teachers with strategies to support their culturally and linguistically diverse students. This highly readable book by Dr. Sharroky Hollie explores the pedagogy of culturally responsive teaching and includes tips, techniques, and activities that are easy to implement in today's classrooms. Both novice and seasoned educators will benefit from the helpful strategies described in this resource to improve the following five key areas: classroom management, academic literacy, academic vocabulary, academic language, and learning environment. Grounded in the latest research, this second edition includes an updated reference section and resources for further reading.

Planting the Seeds of Equity Ruchi Agarwal-Rangnath, 2020. Bringing together an inspirational group of educators, this book provides key insights into what it means to implement social justice ideals with young children, pre-K to grade 2. Each chapter highlights a teacher's experience with a specific aspect of social justice and ethnic studies, including related research, projects, and lesson plans, and implications for teacher education. The text engages readers in critical dialogue, drawing from works within ethnic studies to think deeply about ideals such as humanization, representation, and transformation. Finding ways to integrate acceptance of difference and social justice content into the primary grades is a complex and challenging endeavor. These teacher stories are ones of courage and commitment, inspiring the possibility of radical change. **Book Features:** Guidance for teachers who want to teach for social justice, including lesson plans and strategies; Examples of what ethnic studies looks like in early childhood classrooms; Dialogue questions to prompt critical thinking and professional conversation; Windows into classrooms that foster valuing of self and respect for diversity of color, ethnicity, and gender; Activities to tap into personal strengths and enrich teaching, including yoga and song; Connections to relevant research. I salute Dr. Ruchi Rangnath for bringing together such a powerful set of teacher voices to produce a book that celebrates children and communities of Color. From the Foreword by Patrick Camangian, University of San Francisco. This is an essential text for anyone interested in the transformational possibilities of early childhood education. Rita Kohli, University of California.
