Alisa van de Haar,2019-09-02 In *The Golden Mean of Languages* Alisa van de Haar sheds new light on the debates regarding the form and status of the vernacular in the early modern Low Countries where both Dutch and French were local tongues The fascination with the history grammar spelling and vocabulary of Dutch and French has been studied mainly from monolingual perspectives tracing the development towards modern Dutch or French Van de Haar shows that the discussions on these languages were rooted in multilingual environments in particular in French schools Calvinist churches printing houses and chambers of rhetoric The proposals that were formulated there to forge Dutch and French into useful forms were not directed solely at uniformization but were much more diverse The Cultural Crisis of the Danish Golden Age Jon

Stewart,2015-08-31 The Danish Golden Age of the first half of the nineteenth century endured in the midst of a number of different kinds of crisis political economic and cultural The many changes of the period made it a dynamic time one in which artists poets philosophers and religious thinkers were constantly reassessing their place in society This book traces the different aspects of the cultural crisis of the period through a series of case studies of key figures including Johan Ludvig Heiberg Hans Lassen Martensen and S ren Kierkegaard Far from just a historical analysis however the book shows that many of the key questions that Danish society wrestled with during the Golden Age remain strikingly familiar today Jon Stewart is associate professor at the S ren Kierkegaard Research Centre at the University of Copenhagen **The adventures of**
