Dick in the same way that he did with an earnest desire to understand the truth of the world but without falsely equating earnestness with a dry seriousness Dick's work was replete with whimsical and absurdist presentations of the greatest challenges to reason and to humanity paradox futility paranoia and failure and even at his darkest times he was able to keep some perspective and humor as for example in choosing to name himself Horselover Fat in VALIS at the same time as he relates his personal religious epiphanies crises and
