[This Much I Know About Love Over Fear ...](#) John Tomsett,2015-06-15 This Much I Know about Love Over Fear is a compelling account of leading a values driven school where people matter above all else Weaving autobiography with an account of his experience of headship John Tomsett explains how in an increasingly pressurised education system he creates the conditions in which staff and students can thrive Too many of our state schools have become scared soulless places John Tomsett draws on his extensive experience and knowledge and calls for all those involved in education to find the courage to develop a leadership wisdom which emphasises love over fear Creating a truly great school takes patience Ultimately truly great schools don t suddenly exist You grow great teachers first who in turn grow a truly great school There is a huge fork in the road for head teachers one route leads to executive headship across a number of schools and the other takes head teachers back into the classroom to be the head teacher John strongly believes that if the head teacher is not teaching or engaged in helping others to improve their teaching in their school then they are missing the point The only thing head teachers need obsess themselves with is improving the quality of teaching both their colleagues and their own This Much I

**The Quiet Room** Lori Schiller, Amanda Bennett, 2008-11-16 Moving harrowing and ultimately uplifting Lori Schiller's memoir is a classic testimony to the ravages of mental illness and the power of perseverance and courage. At seventeen, Lori Schiller was the perfect child, the only daughter of an affluent, close-knit family. Six years later, she made her first suicide attempt, then wandered the streets of New York City dressed in ragged clothes, tormenting voices crying out in her mind. Lori Schiller had entered the horrifying world of full-blown schizophrenia. She began an ordeal of hospitalizations, halfway houses, relapses, more suicide attempts, and constant withering despair. But against all odds, she survived. In this personal account, she tells how she did it, taking us not only into her own shattered world but drawing on the words of the doctors who treated her and family members who suffered with her.

*This Golfing Life* Michael Bamberger, 2018-09-01 Reflections on the game by the Sports Illustrated writer and national bestselling author of *The Swinger*. Michael Bamberger has lived the game of golf as few others have, from his experience as one of the first white college-educated caddies in 1985 to hanging out with Arnold Palmer at the Masters. *This Golfing Life* brings together Bamberger's acclaimed intimate profiles of stars Tiger, Jack, and Annika, to name a few, as well as the behind-the-scenes people who make the game what it is. In his last round of golf before an amputation, Bamberger's high school golf coach John Sifaneck makes his first hole in one. John Stark gets Bamberger to relearn the game as a Scotsman. Bob Rubin, a Wall Street master of the universe, builds his own golf course, one so difficult he can't break one hundred on it. Bruce Edwards continues to caddy for Tom Watson while dying of ALS. Lou Gehrig's disease. Bamberger interweaves these stories with his own life in a way that will remind golfers why they love the game.
