Alicia Goodwin Jacobs, 2011-03-07 Starting each morning with God is a must Studying the Holy Word and talking to God everyday can change your life I set my alarm atleast 30 minutes early every day to allow time with God Keeping a prayer journal helps me to focus on my prayer crying out to God with an honest heart God longs to hear from us I started writing devotions to help me cope with difficult times and before I knew it I set a goal of 365 Each of these devotions were revealed to me from God as we spent time together every morning and throughout the day I hope these words will bless you as much as they have blessed me **Mornings with the Lord** Doreen Virtue, 2017-10-17 Best selling author Doreen Virtue invites you to set your day s intentions on a loving and positive note by spending every morning with the Lord Every page of this uplifting devotional features a meditation prayer and relevant biblical verse to reaffirm your connection with heaven the angels and God You can read the book daily spending a year in contemplation or open it at random to receive guidance pertaining to a specific question or concern Whether you are a longtime student of scripture new to the Bible or looking to reacquaint yourself with its love based wisdom you will find Doreen s gentle devotional reflections and commentary inspiring and supportive of your path This wonderfully positive book is for anyone desiring to develop a closer loving relationship with God and Jesus Through my faith in God I have found happiness and the most blissful unconditional love I ve ever experienced Dear one it is my prayer that you do the same **Good Morning Message** Peggy Edwards, 2010-08 This daily devotional book has been a God led inspiration from its very start up from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network Our God is so awesome I ve had people return emails to me or speak to me and ask How did you know that I needed that today or How did you know I was going

through this That is when I thankfully remind them that God inspired each and every one of these devotionals I am just being faithful and following His directions Now I m led to put them into a year of daily devotions book to reach others Occasionally my emailed devotionals have colored photographs that I take as God inspired message for the day Unfortunately I couldn t include those in this book I did include a photo in grayscale at the beginning of each month the cover photo is a God blessed look at an Alaskan sunset I am so thankful that God is working in my life I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others When you feel down just start counting each of the blessings God has touched you with in your life and you will feel His Presence and comfort to encourage you We are never alone He is just a prayer away nothing is impossible for our God He is not done with us yet He is asking us to be obedient in our service to Him and He will help us grow in our faith Trust in Him and you will be astounded at what He has in store for you

Enough J.D. Greear, 2018-02-06 Pastor and author J D Greear reveals that the secret to a robust passionate faith isn't getting all the right answers about God but seeing God as the awesome glorious and infinite presence that He is. We like God small. We prefer a God who is safe, domesticated, who thinks like we think, likes what we like, and whom we can manage, predict, and control. A small God is convenient. Practical. Manageable. For us. Thinking of God as so infinitely greater and wiser than we are, and who would cause us to tremble in his presence, is a leftover relic from an oppressive, archaic view of religion. But what if this small version of God we've created is holding us back from the greatest experience of our lives from genuine confident world-transforming faith? In *Not God Enough* J D reveals how to discover a God who is big enough to handle your questions, doubts, and fears, is not silent, is worthy of worship, wants to take you from boring to bold, in your faith has a purpose and mission for you on earth, is pursuing you right now. The truth, God is big. Bigger than big. Bigger than all the words we use to say big. Only a God of infinite power, wisdom, and majesty can answer our deepest questions and meet our deepest longings. God is not just a slightly better, slightly smarter version of you. God is infinite and glorious, and an encounter with Him won't just change the way you think about your faith. It'll change your entire life. Views from the Pew, Pulpit and Women

Religious Koncel, 2010-07-27 In his very personal account Ed Koncel, a well-read and thoughtful Catholic, shares his recollections of the church past, his frustrations with the church present, and his hopes for Catholicism's more vibrant future. Robert McClory, author of *As It Was in the Beginning*, Ed Koncel writes from the perspective of a faithful son of the Church, faithful over the course of his long life. He writes with both passion and compassion in regard to the people and the proceedings of the Second Vatican Council and the developments since the Council. Obviously well-read and actively involved in various groups working to make real the words and spirit of the documents of the Vatican II, he speaks with the authority of knowledge and personal experience and integrity. I believe he also speaks as one whose love of the Church motivates him to keep working for its coming to accept the full participation of all in the liturgical and governmental life of its people. Mr Koncel strikes me as a man of hope, an extraordinary virtue in our time. The Buzzing Bee Once we left the patio door open, a bee flew in. It hit the window repeatedly, trying to get out. We could hear it buzzing from the top to the bottom of the window. It saw the beauty outside and worked very hard, trying to get out, but we knew that its effort was futile. If it were a fly, we would have used the swatter and ended its misery. However, since it is a beneficial insect, we opened the door and chased it out. All of a sudden, four important lessons came to mind: 1. Hard work alone may not be able to solve our problem. 2. Often the solutions come from doing it another way, thinking outside the box. 3. Sometimes the Almighty sees us in our predicament and shows us a way out. 4. I believe that it is our mission in life also to show some struggling people the lessons we learned and the opportunities we saw and show them a way out. Two roads diverge in the woods, and I took the one less traveled, and that has made all the difference. Robert Frost, 1920. Give the world the best you

have and it may never be enough Give the world the best you ve got anyway Mother Teresa 19101997 Any fool can count the seeds in an apple Only God can count the apples from one seed Dr Robert H Schuller
