

The cover features a white background with scattered, colorful circular confetti in shades of blue, green, yellow, orange, pink, and purple. The main title is centered and reads:

GOOD NEWS FOR ANXIOUS CHRISTIANS

10 PRACTICAL THINGS
YOU DON'T HAVE TO DO

PHILLIP CARY

Good News For Anxious Christians Good News For Anxious Christians

Maggie Ross

Good News For Anxious Christians Good News For Anxious Christians:

Good News for Anxious Christians, expanded ed. Phillip Cary, 2022-08-09 A talented teacher unpacks the riches of traditional Christian spirituality for Christians burdened by the guilt and anxiety of introspective in my heart spiritual techniques Phillip Cary explains that knowing God is a gradual long term process that comes through the gospel experienced in Christian community The first edition has sold over 17 000 copies The expanded edition includes a new afterword that offers further insights since the first edition was published over ten years ago

Good News for Anxious Christians Director Philosophy Program Phillip Cary, Phillip Cary, 2014-05-14 A talented teacher unpacks the riches of traditional Christian spirituality for Christians burdened by the guilt and anxiety of introspective in my heart spiritual techniques

23% More Spiritual! Rod Miller, 2020-10-19 Ever bought that one book that utterly changed your spiritual life made it deeper quicker and 23% more efficient Neither has anyone else but that has not stopped the relentless manufacture of fad products and programs that promise a better way Fads which have led to havoc in the wider culture have also found their way into Christendom Now we have specifically Christian examples of invented problems with churches struggling over musical choices carpet colors and various techniques Christians are frequently following the world blissfully unaware in their thinking that the new thing must be better merely because it is new 23% More Spiritual examines some of the most well known fads of the past century provides a history of how we got here outlines the problems in pursuing the fad and offers a solution one seeking goodness and perfection

Christ and Theology Scott Stine, 2025-02-17 Tracing the relationship between Christ centered biblical theology and the so called Great Tradition this book seeks to remedy often self diagnosed weaknesses in evangelical gospel centered hermeneutics Meeting charges first that redemptive historical approaches to Scripture tend to de theologize the Bible and second that theological approaches tend to de historicize the Bible Scott Stine appropriates Calvin s famous spectacles metaphor to propose a hermeneutical method that orients the Scripture reader both upward theologically and forward redemptive historically The outcome is a unique approach called typological realism emphasizing that God reveals his good purposes along a typological trajectory inviting believers to participate in the journey This book does not seek to offer anything new to Christian interpretation of Scripture but to join together features from oft used approaches that not only fit together thematically but also remedy reductive tendencies The goal is to help those listening to Scripture as God s shepherding voice to hear the fullness of his revelation the purposeful process that culminates in the Beatific Vision

The Layperson's Library Robert A. Yost, 2020-12-30 In the spirit of Cyril Barber s classic work from the 1970s *The Minister s Library* and the author s 2017 book *The Pastor s Library* Robert Yost provides the same expert guidance now for a lay audience Finally laypersons who desire to study the Bible have an invaluable resource for the acquisition of research tools as well as general Christian reading From general reference works such as Bible atlases and concordances commentaries devotional works and theological studies to Christian biography and fiction this book is a

trustworthy guide through the multiplicity of books that just seem to keep rolling off the presses Overwhelmed by the proliferation of Christian books on the shelves This handy guide is the book for you *The Meaning of Protestant Theology* Phillip Cary,2019-06-18 This book offers a creative and illuminating discussion of Protestant theology Veteran teacher Phillip Cary explains how Luther s theology arose from the Christian tradition particularly from the spirituality of Augustine Luther departed from the Augustinian tradition and inaugurated distinctively Protestant theology when he identified the gospel that gives us Christ as its key concept More than any other theologian Luther succeeds in carrying out the Protestant intention of putting faith in the gospel of Christ alone Cary also explores the consequences of Luther s teachings as they unfold in the history of Protestantism *Practicing the Monastic Disciplines* Sam Hamstra Jr.,Samuel Cocar,2021-07-12 In *Practicing the Monastic Disciplines* authors Sam Hamstra Jr and Samuel Cocar recover the wisdom of the Christian desert and make it more available and accessible to modern Christians especially those in the evangelical circle they inhabit Believing that moderns like themselves often flail in their Christian lives the authors discover in the desert Christians of late antiquity a clear map for growing in Christlikeness as well as an effective set of tools or weapons for combating temptation This set of insights sees its completion in the spiritual theology of Evagrius Ponticus a monastic theologian who expertly assessed the maladies and corresponding remedies of Christian discipleship Evagrius and his comrades offer modern Christians a coherent framework for spiritual formation and growth one which treats seriously both the frailties of human nature and the potential for sanctification This strand of patristic spirituality guides us toward glorifying God through both training our bodies and ordering our interior lives **Mary and the Art of Prayer** Rachel Fulton Brown,2017-11-21 Would you like to learn to pray like a medieval Christian In *Mary and the Art of Prayer* Rachel Fulton Brown traces the history of the medieval practice of praising Mary through the complex of prayers known as the Hours of the Virgin More than just a work of comprehensive historical scholarship the book asks readers to immerse themselves in the experience of believing in and praying to Mary *Mary and the Art of Prayer* crosses the boundaries that modern scholars typically place between observation and experience between the world of provable facts and the world of imagination suggesting what it would have been like for medieval Christians to encounter Mary in prayer *Mary and the Art of Prayer* opens with a history of the devotion of the Hours or Little Office of the Virgin It then guides readers in the practice of saying this Office including its invitatory Ave Maria antiphons psalms lessons and prayers The book works on several levels at once It provides a new methodology for thinking about devotion and prayer a new appreciation of the scope of and audience for the Hours of the Virgin a new understanding of how Mary functions theologically and devotionally and a new reading of sources not previously taken into account A courageous and moving work it will transform our ideas of what scholarship is and what it can accomplish Karl Barth Mark Galli,2017-09-28 This refreshingly accessible introduction to Karl Barth by Mark Galli takes readers on a whirlwind tour of the life and writings of this giant of twentieth century theology Galli pays special attention to themes and topics of concern

for contemporary evangelicals who may need Barth's acute critique as much as early twentieth century liberals did and for surprisingly similar reasons

Centering Prayer Blanton, P. Gregg, 2021-08-25 Examines how the practice of Centering Prayer can shape our character and effect our daily interactions with others

Religion and the Social Sciences Dr. R. R. (Rusty) Reno, Barbara McClay, 2015-07-24 More often than not it's a class in the social sciences that challenges the faith of students not a class in biology Does critical understanding of our religious traditions institutions and convictions undercut them Or can a modern social scientific approach deepen faith's commitments making us full participants in today's intellectual culture In these conversations with eminent sociologists Robert Bellah and Christian Smith leading scholars probe the religious potential of modern social science and its theological limits

What's Love Got to Do with It? Sam Hamstra Jr., 2016-08-18 In the past three plus decades a significant conversation has taken place among American Protestants about worship As a result countless books have been written on the subject We have read books on music and worship ancient future worship worship as spiritual formation worship and the arts worship and children even life as worship Listen to that conversation however and you will notice one word conspicuously absent While the heart and soul of the Christian life is love and while the apostle Paul I Corinthians 13 insists that worship without love fails to be worship recent conversations on worship fail to answer this simple question What's love got to do with it In this volume Sam Hamstra answers that question and more by identifying biblical principles that shape our love as worshipers The end result is an invaluable resource for worshipers and for those responsible for planning corporate worship

Connecting the Dots Jake Owensby, 2012-06 Your life matters and it matters on an infinite and eternal scale That may sound like a bold claim Maybe you spend most of your day behind a desk or chauffeuring children or repeating one of a thousand ordinary routines Nothing about your daily life seems world changing or history making to you A life crushing loss or a humiliating setback may leave you feeling that your world is irreparably broken Chronic illness or a stalled career may have you wondering whether you have anything truly significant to offer You may have reached the pinnacle of success and now you find yourself wondering Is this all that there is Nevertheless your life matters That is the core message of Christian hope This book is devoted to helping its readers not only to understand the concept of hope but more importantly to draw upon hope as the powerful force that inspires our daily lives Christian hope is far more than wishful thinking or a positive attitude Optimism in all its forms places its bets on what we humans can accomplish By contrast hope is rooted in what Christ has already achieved on the cross and what God promises to accomplish for us in the future God connects the dots of our lives

Laughter and Other Gifts of God Gordon Kainer, 2013-12-03 Laughter and Other Gifts of God shows how essential it is to understand the source and significance of laughter humor and joy The author offers compelling reasons why these dynamic qualities need to be motivated and governed by God's love and grace Discover how laughter is a valuable reflection of God Himself It is a potent force that stirs you to see another side of things It may also nudge you toward a new understanding of God and why the most

wasted day is the one in which you haven't laughed The book uses Scripture scientific research and humorous stories to answer significant questions Why do we laugh What does our laughter say about us The book demonstrates laughter is not an innocent neutral or impartial activity but one with an agenda Learn how your laughter and sense of humor usually reflect your innermost thoughts and feelings Find out how a healthy lifestyle includes laughter that by walking with Jesus you can experience joy at every stage of your life

Silence: A User's Guide, Volume One Maggie Ross, 2014-09-10 Silence is essential for the health and well being of humans and the environment in which they live Yet silence has almost vanished from our lives and our world Of all the books that claim to be about silence this is the only one that addresses silence directly Silence A User's Guide is just what the title says it is a guide to silence which is both a vast interior spaciousness and the condition of our being in the natural world This book exposes the processes by which silence can transfigure our lives what Maggie Ross calls the work of silence it describes how lives steeped in silence can transfigure other lives unawares It shows how the work of silence was once understood to be the foundation of the teaching of Jesus and how this teaching was once an intrinsic part of Western Christianity it describes some of the methods by which the institution suppressed the work of silence and why religious institutions are afraid of silence Above all this book shows that the work of silence gives us a way of being in the world that is more than we can ask for or imagine

Lessons from the Apostles Glen A. Blanscet, 2021-03-19 We often think of the apostles as spiritual giants men who were uniquely qualified to walk with Jesus and carry on His mission to the world But the reality is they stand out more for their lack of qualifications They were not trained religious scholars they often misunderstood what Jesus told them and sometimes they simply failed to live up to Jesus's expectations Not only did they lack qualifications but they also encountered many of the same fears and issues we experience They struggled with doubts cowardice ambition faithlessness pessimism and greed In other words the apostles were people just like us Yet Jesus chose them to change the world And they did Lessons from the Apostles describes the struggles and personalities of these ordinary men reveals the transformation Jesus made in their lives and identifies specific lessons you can apply in your own life You will also find brief accounts of the stories and legends regarding what happened to the apostles after the Bible As you read about each of these men you will likely recognize your own personality in one or more of them And you will find encouragement from knowing that you too are the type of person God can use to change the world

Joined-Up Life Andrew J. B. Cameron, 2013-01-24 Finding our best humanity in Jesus Christ is the key theme of Andrew Cameron's fresh exploration in which he seeks to understand ethics as springing from Jesus and to show how identifying with Jesus Christ brings order and clarity to human life In a world where everyone is an expert on right and wrong this book tries to show how Jesus unifies the best of what you hear He joins up messy lives Cameron's accessible coherent and innovative analysis is divided into seven parts Each part contains several self-contained chapters that address some specific aspect of Christian thinking about ethics and life and each chapter is cross-referenced to other key chapters The chapters may be read

in sequence or dipped into in any order Part 1 considers some common ways of thinking about ethics e g rules rights values and results Part 2 considers some arenas we are unaware of but that have a huge impact on how we live Part 3 shows how Jesus Christ becomes a better main category than ethics for determining who we are and what we do Part 4 builds a unified field shaped in response to Jesus Christ by which we can orient ourselves to whatever is around us Part 5 examines some means by which we approach the daily details of life within this overall orientation Part 6 looks at some aspects of our life package or vocation to see how they are located within the unified field Part 7 visits some areas of discussion that cause great disagreement between Christians and others and tries to show why Cameron offers a stimulating reappraisal of our cluttered tumultuous lives and encourages us to see life through a different lens

Book of Business Quotations Bill Ridgers,2012-06-28 A collection of witty and entertaining business quotations brought together by the experts at The Economist An inspirational informative and insightful compendium of business wisdom Book of Business Quotations brings together a remarkable collection of business quotations Going well beyond just the most common widely known remarks from major industry figures the book unearths little known comments from forgotten experts novelists and other non traditional sources placing them alongside the words of business luminaries to craft a truly comprehensive volume Compiled partly from talking to businessmen journalists writers and professors about quotations they have found particularly perceptive and partly by trawling the reference sources business publications and The Economist itself the book is structured alphabetically by subject with approximately 50 sections Brings together words of wit and wisdom about business from a diverse range of sources including CEOs novelists business gurus and politicians Includes remarks on all manner of current business topics from global markets to e commerce from business history to consultants Quotations grouped by subject for easy access A helpful tool for anyone working in the world of business Book of Business Quotations puts pearls of wisdom from a range of sources right at your fingertips

THE WILL OF GOD Re Ph. D. The Reverend Vernon G. Elgin,2012-01-18 THE WILL OF GOD Re The Presbyterian Church USA Book of Common Worship explores in general the theological topic of the will of God as revealed in Scripture and particularly as treated in the liturgical and worship material in the BOOK OF COMMON WORSHIP The more than 200 references to the subject in the BCW appear in the different rubrics for worship adoration confession supplication petition and explication or explanation The goal of the book is better to understand how God s will has been revealed identified and defined as a step toward the more perfect worship God expects of the Church

Martin Luther and the Rule of Faith Todd R. Hains,2022-10-11 Martin Luther is known for challenging the Roman Catholic church yet reading God s Word was what Luther considered his primary task Though he is often portrayed as reading the Bible with a bare approach Todd R Hains considers how Luther s interpretation of the text was actually guided by the church s established practice of hermeneutics
