A Forever Love James Qualls, G.A. Sarna, 2026-05-26 Trying to picture my life without you is like trying to imagine the sky without blue Could not be anymore true You have come to be my every thought I wake to you I sleep I dream I live for you I can no longer remember my life without you Every thought and memory of my life now has you in it It used to be that I wanted to show you my life and the things that I got to see and do but now I find you in them all You are so deep within my heart and my mind and soul that I have been rewritten I think it is the soulmate bond It's like everything we are has merged I can't look in a mirror anymore and not see you Your song was absolutely perfect trying to picture my life without you I cannot even picture the past anymore because you have updated my software and it is amazing And not being able to give me a card welcome to my world I learned to take advantage of certain things I have some really pretty loving cards that I gathered for you when Hallmark offered a BOGO deal and that is the only reason I was able to send you one I happened to have some extra cash and found a dozen cards that spoke to me about you I knew then that we would be together forever and took advantage of the moment I left a Jolly Roger green apple stix next to my bed and have it in my mouth as I write this I was organizing things the other day and came across a comic Neil Gaiman wrote 20 years ago I hadn't read *Stardust* since then and I wanted to revisit his writing So essentially this Valentine's you have given me my third grade

again I have a favorite candy in my mouth there is the song you sent still playing in my head I am reading a comic book in bed and dreaming of the little girl I am in love with So thank you for the best Valentine s Day ever *Good Night Officially* Yeoman James Orvill Raines,2019-03-11 My interest in USS Howorth originated during my thirty three months of duty in the Pacific Fleet destroyer Hamner named after Howorth s gunnery officer killed at Okinawa Lieutenant Henry R Pete Hamner His legacy included the Reader s Digest subscriptions his mother presented each year to the wardroom and crew Later as executive officer in the hydrofoil Plainview exasperated by the endless stream of logs and records demanded by higher authorities I peevishly tested the navy s record system and wrote away for information on Lieutenant Hamner and Howorth I was surprised by the magnitude of the material documenting Howorth s Pacific War ranging from hourly barometric readings and seawater injection temperatures to ammunition effectiveness reports **Good Night...** Carl L. Kell,2022-04-13 *Good Night Whispers of the Heart* is a collection of real love notes covering different themes all thoughtfully composed for the private reading of a partner What you find here are examples of love notes that could be found in bedrooms safety deposit boxes and even the proverbial 20th 21st century shoe boxes all lost to time and rich in meaning *Good Night Whispers of the Heart* is not a present day version of the 20th century soldier at war writing home or members of the Greatest Generation writing from a theatre of war to tell their beloved that they would be home soon for many sweethearts and wives of wars gone by Johnny did not come marching home *Good Night Whispers of the Heart* is a collection of everyday working men and women who kept the flame of love burning brightly every day through thick and thin by writing a love note some at length mostly short that their partner for life kept the flame of love burning bright A love note tells the partner that the flame will never go out Often love is barely a pilot light just bright enough to see by and warm enough to calm the worries of the day that came and went *Good Night Whispers of the Heart* is a reminder that love and appreciation are always in fashion sustaining the ever present fact that the thought to write always counts but the words that envelop the soul never sleep You see a love note lasts all through the night *The Last Karma* Ankita Jain,2015-01-07 I was never meant to be a writer but I had the desire to narrate a few incidents and that got the writer inside me working Before you start reading this story I would like to mention that this story is inspired by true events and the fictional changes that have been made are to protect the identity of the people involved However it has no relation whatsoever to anyone bearing the same name or names Becoming a writer from a person belonging to a core technical background wasnt that easy However there are stories that force you to pick up a pen so that people can learn a lesson even without living the same in their own lives All of us do something of our choice but not everyone is aware of the fact that commitment to see something through to completion is the essence of the efforts of a lot of people There are so many people who are responsible in ways big and small for this book being a reality today I couldnt have done it without the support I received from all those people who always played an important role in my life and I know they will always be there To each one of you I pay my humble and most heartfelt thanks

Promise Peebee Jax,2010-07-23 When two hearts become one both happiness and sometimes sadness will find a place in that seemingly perfect union As much happiness as we shared when I look back over our life together I was blessed that God allowed me to experience such joy and love every day with a man who not only made promises but kept those promises Even though I have also witnessed sadness to an unimaginable degree since his unexpected death I can truly say I was still blessed to have loved and been loved to a magnitude I do not have words to describe A lifetime cannot be defined in terms of hours days years decades or century Regardless of the length of time any relationship lasts we must learn to live every minute like it is our last That is what my one true love taught me He added truth honesty love and devotion together and we had a sum total of joy and happiness divided by the number of offsprings produced by that love And we never parted in anger or unforgiveness because no one can predict what the next minute will bring Sometimes I think my love was just too wise for this world that is why God called him home to be with Him As I look back over our life together I feel enormously blessed by God to have had such a love as this in my lifetime Only God made it possible Only God allowed me to experience total bliss for a little while 29 8 years Words cannot describe the memories stored in my memory bank of our span of time together In all my days of blissful retreat the only thing I feel I did not do enough of is giving grateful praise to the Almighty for creating that soul mate just for me and I for him Life will go on and in each whisk of air against my skin as I sit and read I will remember it is you my love stopping by to see me every now and then God saw you were getting tired So He did what He knew was best He watched and waited for the exact time You were in most need of some rest You did not say to me farewell Nor even a wave good bye God took you swift and easy I dare not ask God why He gave you to me for a while I loved you with all my heart I showed you I told you daily Even in death we are not apart Rest easy Honey until I get there I will know you when I arrive We will be just two angels forever Always partners side by side *Love Storm* Lance Figgins,2019-12-06 Still Burning Desire After the kidnapping and murder of a young child just a few miles from where Chase and Lilly live they decide Chicago is too dangerous and pack up and move to Colorado With Lilly being a nurse and Chase a firefighter employment comes easy although Chase must go to smoke jumpers school Can he learn to jump out of airplanes and survive the worst fire in Colorado history Trouble in Paradise The wedding is over and the honeymoon is about to begin With the cruise ship in international waters and drugs on board can four federal agents stop a drug smuggling operation while trying to survive and
