Good Profit:

Good Profit Charles G. Koch, 2015-10-13 NEW YORK TIMES BESTSELLER Learn how to apply the principles of Charles Koch's revolutionary Market Based Management system to generate good profit in your organization company and life This book helps show you the way to good profit whether you work for an international supermarket chain a medium sized regional business or your own start up John Mackey co founder and co CEO Whole Foods Market The technological innovations extreme politics civil unrest cyber attacks demographic shifts and global pandemic that have affected all businesses since this book was published have only confirmed Charles Koch's belief that the only reason a business should exist and the only way it can legitimately survive long term is to create value in a responsible way Hence the principles in Good Profit are more important today than ever before What exactly does Koch Industries Inc do and why is it so remarkably profitable Koch's name may not be on your home's plywood vehicle's grille smartphone's connectors or baby's ultra absorbent diapers but it makes them all And Koch's Market Based Management MBM system is what drives these innovations and many more The core objective of MBM is to generate good profit Good profit results from products and services that customers vote for freely with their dollars It results from a bottom up culture where employees are empowered to act entrepreneurially to discover customers preferences and the best ways to improve their lives Drawing on six decades of interdisciplinary studies experimental discovery and practical implementation across Koch businesses worldwide Charles Koch walks the reader through the five dimensions of MBM to show how to apply its framework in any business industry or organization of any size Readers will learn how to Craft a vision for how to thrive in spite of increasingly rapid disruption and ever changing consumer values Select and retain a workforce possessing both virtue and talent Create an environment of knowledge sharing that prizes respectful challenges from everyone at every level Award employees with ownership and decision rights based on their comparative advantages and proven contributions not job title Motivate all employees to maximize their contributions by structuring incentives so compensation is limited only by the value they create A must read for any leader entrepreneur or student as well as anyone who wants a more civil fair and prosperous society Good Profit is one of the greatest management books of all time

Good Profit, 2018 THE REVOLUTIONARY MANAGEMENT SYSTEM BEHIND ONE OF THE MOST SUCCESSFUL COMPANIES OF OUR TIME In 1961 Charles Koch joined his father's Wichita based company then valued at 21 million Six years later he was named chairman of the board and CEO of Koch Industries Inc Today Koch Industries estimated worth is 100 billion making it one of the largest private companies in the world Koch exceeds the S P 500's five decade growth by 27 fold and plans to double its value on average every six years What exactly does this company do and why is it so remarkably profitable Koch's name may not be on your stain resistant carpet stretch denim jeans the connectors in your smart phone or your baby's ultra absorbent diapers but it makes them all And Koch's Market Based Management system is what drives these innovations and many more Based on five decades of

interdisciplinary studies experimental discovery and practical implementation across Koch businesses worldwide the core objective of MBM is to generate good profit Good profit results from products and services that customers vote for freely with their dollars products that improve people s lives It results from a culture where employees are empowered to act entrepreneurially to discover customers preferences and the best ways to satisfy them Good profit is what follows when long term value is created for customers employees shareholders and society Here drawing on revealing honest and previously untold stories from his nearly six decades in business Koch walks the reader through the five dimensions of MBM to show how to apply its framework to generate more good profit in any business industry or organization of any size Readers will learn how to Craft a vision for how to thrive in spite of increasingly rapid disruption Select and retain a workforce possessing both virtue and talent Create an environment of knowledge sharing that prizes respectful challenges from everyone at every level Award employees with ownership and decision rights based on their proven contributions not job title Motivate all employees to maximize their contributions by structuring incentives so compensation is limited only by the value they create A must read for any leader entrepreneur or student as well as anyone who wants a more civil fair and prosperous society Good Profit is destined to rank as one of the greatest management books of all time *Good Profit* Instaread,2015-11-17
