Carnegie, 2015-07-10 Excerpt from The Gospel of Wealth And Other Timely Essays It is a great pleasure to tell how I served my apprenticeship as a business man But there seems to be a question preceding this Why did I become a business man I am sure that I should never have selected a business career if I had been permitted to choose The eldest son of parents who were themselves poor I had fortunately to begin to perform some useful work in the world while still very young in order to earn an honest livelihood and was thus shown even in early boyhood that my duty was to assist my parents and like them become as soon as possible a bread winner in the family What I could get to do not what I desired was the question About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Virtue** John W. Chapman, William Arthur Galston, 1993-08 In the United States there exists increasing

uneasiness about the predominance of self interest in both public and private life growing fear about the fragmentation and

privatization of American society mounting concerns about the effects of institutions ranging from families to schools to the media on the character of young people and a renewed tendency to believe that without certain traditional virtues neither public leaders nor public policies are likely to succeed In this thirty fourth volume in The American Society of Legal and Political Philosophy a distinguished group of international scholars from a range of disciplines examines what is meant by virtue analyzing various historical and analytical meanings of virtue notions of liberal virtue civic virtue and judicial virtue and the nature of secular and theological virtue The contributors include Jean Baechler University of Paris Sorbonne Annette C Baier University of Pittsburgh Ronald Beiner University of Toronto Christopher J Berry University of Glasgow J Budziszewski University of Texas Charles Larmore Columbia University David Luban University of Maryland Stephen Macedo Harvard University Michael J Perry Northwestern University Terry Pinkard Georgetown University Jonathan Riley Tulane University George Sher University of Vermont Judith N Shklar Harvard University Rogers M Smith Yale University David A Strauss University of Chicago and Joan C Williams American University

Runaway Capitalism James H. Mittelman, 2025-11-26 Algorithms and artificial intelligence increasingly drive our lives cognitive inputs supplant physical inputs in the workplace and big philanthropies rather than governments tackle many societal problems To examine any one of these interrelated trends alone is to miss a seismic shift in world order By homing in on the confluence of algorithmic capitalism cognitive capitalism and philanthropic capitalism this tightly argued book offers a novel interpretation of an unnoticed and understudied transformation The three forces form a trialectic a system that lacks effective controls and is spreading globally Conducted on four continents the research shows how runaway capitalism is making work and daily life ever more precarious and sparking anti precarity movements Tracing these metamorphoses both in the global North and global South the author identifies plausible scenarios for blunting the sharp edges of runaway capitalism Based on hard empirical data and qualitative case studies in the global North and South Runaway Capitalism is aimed at a wide readership Written in vivid prose it is appropriate for university students researchers policy intellectuals and a general audience interested in how to address major perils in geopolitics and economics

Proverbs Paul Koptak, 2014-11-04 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need
