the essential points of his beliefs Many were published by Wesley himself while others were recovered from his manuscripts after his death While reading these you will find that his writings are never dry but maintain a vigor of life about them while maintaining a scriptural balance He strived to reach the everyday man and bring him a living gospel and this intent is spread throughout his sermons While Wesley had originally intended to publish a three volume series he went on to add a fourth He desired to reach a larger audience with these printed works than he could with his daily sermons in person and there was also a particular demand for them The four books are comprised of approximately 44 sermons and are contained in volume I of this printing In 1746 he had published the first book of this projected work entitled Sermons on Several Occasions He later went on to add another nine sermons to the series The subsequent books were released in 1748 1750 and 1760 respectively It is important to note that these are by no means the whole of Wesley s written sermons they were merely selected by him for the Christian reader as a kind of standard for his belief of many of the principal points of Christian doctrine and have since become known as the standard sermons In his preface to volume I Wesley himself wrote I have accordingly set down in the following sermons what I find in the Bible concerning the way to heaven with a view to distinguish this way of God from all those which are the inventions of men I have endeavored to describe the true the scriptural experimental religion so as to omit nothing which is a real part thereof and to add nothing thereto which is not Sermons on Several Occasions Volume I Preface For fifty years Wesley had also written numerous sermons and published them in local magazines many of which were printed in cities across England such as London Bristol Dublin and Newcastle upon Tyne With these sermons being placed in the hands of so many printers it was inevitable that they would be printed in a combined publication which was often the case Because of this in his advancing age Wesley decided that he should undertake a reprinting of all of his works enabling him to revise all of his works carefully and also to correct any errors that had arisen In his collected works he elected to print his sermons commentaries notes journals and more producing an impressive thirty two duodecimo volumes the first being published in 1771 and the last in 1774 In the set of sermons that comprised those of the model deed included nine additional lectures that were not previously published bringing the total to 53 These 53 lectures have are in the first volume of this series Preaching the Manifold Grace of God, Volume 1 Ronald J. Zondervan, 2018-11-13 *A Legacy of Preaching Volume One Apostles to the Revivalists* explores the history and development of preaching through a biographical and theological examination of its most important preachers. Instead of teaching the history of preaching from the perspective of movements and eras, each contributor tells the story of a particular preacher in history, allowing the preachers from the past to come alive and instruct us through their lives, theologies, and methods of preaching. Each chapter introduces readers to a key figure in the history of preaching, followed by an analysis of the theological views that shaped their preaching, their methodology of sermon preparation and delivery, and an appraisal of the significant contributions they have made to the history of preaching. This diverse collection of familiar and lesser-known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years. By looking at how the gospel has been communicated over time and across different cultures, pastors, scholars, and homiletics students can enrich their own understanding and practice of preaching for application today. Volume One covers the period from the apostles to the revivalists and profiles thirty preachers, including Paul by Eric Rowe, Peter by David R. Beck, Melito of Sardis by Paul A. Hartog, Origen of Alexandria by Stephen O. Presley, Ephrem the Syrian by Jonathan J. Armstrong, Basil of Caesarea by Jonathan Morgan, John Chrysostom by Paul A. Hartog, Augustine of Hippo by Edward L. Smither, Gregory the Great by W. Brian Shelton, Bernard of Clairvaux by Elizabeth Hoare, Francis of Assisi by Timothy D. Holder, Saint Bonaventure by G. R. Evans, Meister Eckhart by Daniel Farca, Johannes Tauler by Byard Bennett, John Huss by Mark A. Howell, Girolamo Savonarola by W. Brian Shelton, Martin Luther by Robert Kolb, Ulrich Zwingli by Kevin L. King, Balthasar Hubmaier by Cornelius C. Simu, William Tyndale by Scott A. Wenig, John Calvin by Anthony N. S. Lane, William Perkins by Dwayne Milioni, Richard Baxter by Simon Vibert, John Owen by Henry M. Knapp, John Bunyan by Larry Steven McDonald, Matthew Henry by William C. Watson, and W. Ross Hastings. Francis F. Nelson by Martin I. Klauber, Jonathan Edwards by Gerald R. McDermott, John Wesley by Michael Pasquarello III, George Whitefield by Bill Curtis, and Timothy McKnight. Volume Two, available separately, covers the period from the Enlightenment to the present day and profiles thirty-one preachers, including Charles Haddon Spurgeon, D. L. Moody, Billy Sunday, Karl Barth, D. Martyn Lloyd Jones, John Stott, Harry Emerson Fosdick, Martin Luther King Jr., Billy Graham, and more.

The Sermon Bible, 1900 **A Documentary History of Lutheranism, Volumes 1 and 2** Mark A. Granquist, Eric Lund, 2017-11-10 This unique collection of excerpts from Lutheran historical documents, many translated here for the first time, presents readers with a full picture of how the Lutheran movement developed in its thought and practice. Covering not only theology but also church life, popular piety, and influential historical events, the primary documents include theological treatises, confessional statements, liturgical texts, devotional writings, hymns, letters, and diaries, satirical polemics, political documents, woodcuts, and pamphlet literature. This first volume covers the chronological period from Luther's first calls for reform to the development of Lutheran Orthodoxy and Pietism during the seventeenth century. The judiciously selected and carefully translated texts, as well as the contextualizing information,

provided in each chapter's introductory essay acquaint readers with the turbulence and fervor of this revolutionary Christian movement its struggles for survival and consolidation and its further evolution up to the dawn of the Enlightenment The Lutheran Church Review, 1902 *A History of Preaching Volume 2* Rev.
