Got Not Spurs Tottenham Hotspur:

Got, Not Got Derek Hammond, Gary Silke, 2015-09-16 Got Not Got The Lost World of Tottenham Hotspur is an Aladdin's cave of memories and memorabilia guaranteed to whisk you back to White Hart Lane's fondly remembered Golden Age of mud and magic as well as a Spurs mad childhood of miniature tabletop games and imaginary comic fueled worlds The book recalls a more innocent era of soccer lingering longingly over relics from the good old days Spurs stickers and petrol freebies league ladders big match programs and much more revisiting lost soccer culture treasures and pleasures that are 100 per cent Tottenham Hotspur If you're a lifelong Spurs fan one of the army of obsessive soccer kids at any time from the Bill Nicholson era to the early days of the Premier League then this is the book to recall the mavericks Gascoigne Greaves and Archibald Hoddle Mullery and Ardiles and the marvels of the lost world of soccer **Goodbye To Boleyn** Pete

May, 2016-11-10 Essex scribe and literary Hammer Pete May writes with humour and eloquence about the most turbulent year of change at the Boleyn since Ken's Caf got a tub of Flora Phill Jupitus West Ham's final season at the Boleyn Ground was always going to be memorable It featured a new manager in Slaven Bilic the arrival of a French magician called Dimitri Payet and away wins at Arsenal Liverpool and Man City not to mention an unexpected tilt at the top four and an epic last game at the Boleyn against Man United But a new beginning is around the corner and as he and his fellow Hammers prepare to swap the gritty East End streets of E13 for the shiny shopping centres of Stratford lifelong supporter Pete May reflects on the special place the Boleyn Ground has occupied in the hearts of generations of Irons fans Whether it's the infamous chants of the Bobby Moore Stand the pre match fry ups at Ken's Caf or the joys of sticky carpets rubbish ale and blokes singing on pool tables in the pubs around Upton Park Pete's memories are sure to resonate with legions of the claret and blue army as they say farewell to the Boleyn and enter a new era at the London Stadium We Hate Humans David Robins, 2011-10-27

We Hate Humans is a landmark in the study of soccer violence The first book to give voice to the denizens of the terraces it followed seven years of research onto the violent ends of Britain's football grounds such as Chelsea's Shed and Manchester United's Stretford End Through the vivid speech of the fans themselves it chronicles a subculture of disaffected young men their lives and backgrounds and their reasons for fighting We Hate Humans is a bizarre scary sometimes funny and always thought provoking look at one of the most intriguing social topics of our times *Dele Alli (Ultimate Football Heroes - the No. 1 football series)* Matt & Tom Oldfield, Ultimate Football Heroes, 2020-09-03 The No 1 football series over 1 million copies sold Dele Alli is one of England's best young midfielders known for his skill scoring prowess and passion on the pitch During his teens Dele Alli managed to progress through the ranks at MK Dons and eventually signed for Tottenham Hotspur in 2015 Since then he's been working hard at getting glorious goals for his club and country and being an all round footballing superhero Ultimate Football Heroes is a series of biographies telling the life stories of the biggest and best footballers in the world and their incredible journeys from childhood fan to superstar professional player Written in fast paced action packed

Entre Nous Grant Farred, 2019-06-28 In *Entre Nous* Grant Farred examines the careers of international football stars Lionel Messi and Luis Suarez along with his own experience playing for an amateur township team in apartheid South Africa to theorize the relationship between sports and the intertwined experiences of relation separation and belonging Drawing on Jean Luc Nancy's concept of relation and Heideggerian ontology Farred outlines how various relationships the significantly different relationships Messi has with his club team FC Barcelona and the Argentine national team Farred's shifting modes of relation as he moved between his South African team and his Princeton graduate student team and Suarez's deep bond with Uruguay's national team coach Oscar Tabarez demonstrate the ways the politics of relation both exist within and transcend sports Farred demonstrates that approaching sports philosophically offers particularly insightful means of understanding the nature of being in the world thereby opening new paths for exploring how the self is constituted in its relation to the other

Home From Home Brian Williams, 2017-10-24

West Ham United the object of an irrational affection that has dominated the life of journalist and writer Brian Williams has moved from its old home to what was the Olympic Stadium in Stratford It is not a move he welcomed It's not just the football itself The supporters have left behind all the match day rituals that go with the game A pint in the Denmark Arms a hot dog in Priory Road an occasional trip to the wonderful Newham Bookshop East Ham is a residential area with all the amenities that go with it The same cannot be said of the Olympic Park which surrounds the new stadium No pubs no chippies and certainly no mobile phone shops like the one in the Barking Road Brian regularly walked past that proudly announced it also sold baby chickens All of this has been replaced by a soulless stadium and corporate catering with not a baby chicken to be had for love or money Williams charts the most momentous change in his club's history by comparing the last season at his beloved Boleyn Ground with the first at West Ham's new home In doing so he delivers a passionate lament for a time when football was the people's game not a cynical exercise in developing a customer base or building a marketable brand A *crie de coeur* that will ring true not just for battle scarred Hammers but with fans of all clubs great and small
