

Benefits of Hotel Extranet:

- **Effective and accurate information:** Since the accommodation providers get the chance to add all the related details like editing, adding, and updating all the related information and saving it in the inventory it is different from the former hotel booking made through pen and paper.
- **Business enhancers:** Extranet increases business achievement and automates the booking process which was once affected hugely by the manual hotel booking process. As a business owner, you can manage the business on your terms and conditions.
- **Flexibility:** No matter when your customers are booking, with the flexible [hotel extranet booking services](#) you can easily offer last-minute bookings. As an owner when you use the extranet it becomes available to the customers, clients, and partners, and they can operate at their comfortable timing and place. So, the hotel extranet is adaptable since it reduces the time spent organizing meetings and phone tags. Also, it has no particular operating hours, and you can easily get information 24/7.
- **Shorter time to market:** Through the hotel extranet you get to market the products more quickly and efficiently. Make proposals, approach suppliers, and provide clients and business partners with up-to-date information.
