HOUSE OF WITS

AN INTIMATE PORTRAIT OF

THE JAMES FAMILY

PAUL FISHER

House Of Wits An Intimate Portrait Of The James Family

Kathryn Wichelns

House Of Wits An Intimate Portrait Of The James Family:

House of Wits Paul Fisher, 2009-05-26 A portrait of the eccentric and brilliant James family which produced three famous children novelist Henry philosopher William and feminist Alice examines the experiences relationships ideas conflicts and lifestyle that shaped members of the family

House of Wits Paul Fisher, 2013-10-22 An American odyssey that reveals the fascinating complexities of one of history's most brilliant eccentric and daring families In this amazing portrait of a family that may have been the Royal Tenenbaums of the nineteenth century Paul Fisher has written a biography which brings the Jameses to lie on the page as if they were our own fascinating brilliant friends and neighbors Susan Cheever author of *American Bloomsbury* The James family one of America's most memorable dynasties gave the world three famous children a novelist of genius Henry an influential philosopher William and an invalid Alice who became a feminist icon despite her sheltered life and struggles with mental illness Although much has been written on them many truths about the Jameses have long been camouflaged The conflicts that defined one of America's greatest families homosexuality depression alcoholism female oppression can only now be thoroughly investigated and discussed with candor and understanding Paul Fisher's grand family saga *House of Wits* rediscovers a family traumatized by the restrictive standards of their times but reaching out for new ideas and ways to live He follows the five James offspring hotel children Henry called them and their parents through their privileged travels across the Atlantic interludes in Newport and Cambridge the younger boys engagement in the Civil War and William and Henry's later adventures in London Paris and Italy He captures the splendor of their era and all the members of the clan beginning with their mercurial father who nurtured inspired and damaged them setting the stage for lives of colorful passions intense rivalries and extraordinary achievements *House of Wits* is a revealing cultural history that revises and completes our understanding of its remarkable protagonists and the changing world where they came of age A sweeping biography Fisher gives fair and sympathetic time to everyone and provides a lively and detailed social history of the period *The New York Times* A highly readable carefully researched account of one of the most astonishing families America has produced *Evening Standard* London

Henry James in Context David Bruce McWhirter, 2010-09-16 The fullest single volume work of reference on James's life and his interactions with the world around him

Household Gods Sara Georgini, 2019-01-16 *Household Gods* is a 300 year story of religious exploration and discovery as told by early America's first family the Adamses of Massachusetts as they navigated faith and doubt in the growing nation and beyond

[A Power to Translate the World](#) David LaRocca, Ricardo Miguel-Alfonso, 2016-01-05

Washington Square Henry James, 2010-11-11 She will do as I have bidden her Catherine Sloper is heiress to a fortune and the social eminence associated with Washington Square She attracts the attention of a good looking but penniless young man Morris Townsend His suit is encouraged by Catherine's romantically minded aunt Mrs Penniman but her father a clever physician is convinced that his motives are merely mercenary He will not consent to the marriage regardless of the cost to his daughter Out of this classic confrontation

Henry James fashioned one of his most deftly searching shorter fictions First published in 1880 but set some forty years earlier in a pre Civil War New York the novel reflects ironically on the restricted world in which its heroine is marooned seating herself at its close for life as it were In his introduction Adrian Poole reflects on the book s gestation and influences the significance of place and the insight with which the four principal players are drawn The edition includes an account of the real life tale that sparked James s imaginative genius ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Remembering Women Differently Lynée Lewis Gaillet,Helen Gaillet Bailey,2019-05-23 An examination of women s work rhetorical agency and the construction of female reputation Before the full and honest tale of humanity can be told it will be necessary to uncover the hidden roles of women in it and recover their voices from the forces that have diminished their contributions or even at times deliberately eclipsed them The past half century has seen women rise to claim their equal portion of recognition and Remembering Women Differently addresses not only some of those neglected it examines why they were deliberately erased from history The contributors in this collection study the contributions of fourteen nearly forgotten women from around the globe working in fields that range from art to philosophy from teaching to social welfare from science to the military and how and why those individuals became either marginalized or discounted in a mostly patriarchal world These sterling contributors scholars from a variety of disciplines rhetoricians historians compositionists and literary critics employ feminist research methods in examining women s work rhetorical agency and the construction of female reputation By recovering these voices and remembering the women whose contributions have made our civilization better and more whole this work seeks to ensure that women s voices are never silenced again [The Cambridge History of the American Novel](#) Leonard Cassuto,Clare Virginia Eby,Benjamin Reiss,2011-03-24 This ambitious literary history traces the American novel from its emergence in the late eighteenth century to its diverse incarnations in the multi ethnic multi media culture of the present day In a set of original essays by renowned scholars from all over the world the volume extends important critical debates and frames new ones Offering new views of American classics it also breaks new ground to show the role of popular genres such as science fiction and mystery novels in the creation of the literary tradition One of the original features of this book is the dialogue between the essays highlighting cross currents between authors and their works as well as across historical periods While offering a narrative of the development of the genre the History reflects the multiple methodologies that have informed readings of the American novel and will change the way scholars and readers think about American literary history *A Small Boy and Others* Henry James,2011-04-18 This first fully annotated critical edition of *A Small Boy and Others* which guides the reader through the allusive complexities of James s prose offers fresh

insights into the formative years of one of literature's most influential figures *William James and the Transatlantic Conversation* Martin Halliwell, Joel D. S. Rasmussen, 2014 This volume focuses on the American philosopher and psychologist William James and his engagements with European thought together with the multidisciplinary reception of his work on both sides of the Atlantic since his death James participated in transatlantic conversations in science philosophy psychology religion ethics and literature *Alice in Bed* Judith Hooper, 2015-10-01 Arm yourself against my dawn which may at any moment cast you and Harry into obscurity Alice James writes her brother William in 1891 In Judith Hooper's magnificent novel zingers such as this fly back and forth between the endlessly articulate and letter writing Jameses all of whom are geniuses at gossiping And the James family did in fact know everyone intellectually important on both sides of the Atlantic but by the time we meet her in 1889 Alice has been sidelined and is lying in bed in Leamington England after taking London by storm We don't know what's wrong with Alice No one does though her brothers have inventive theories and the best of medical science offers no help So with Alice in bed we travel to London and Paris where the James children spent part of their unusual childhood We sit with her around the James family's dinner table as she the youngest and the only girl listens to the intellectual elite of Boston missing nothing The book is accompanied by Hooper's Afterword What was Wrong with Alice an analysis of the varied psychological ills of the James family and Alice's own medical history *Drinking in America* Susan Cheever, 2025-05-01 In *Drinking in America* bestselling author Susan Cheever chronicles our national love affair with liquor taking a long thoughtful look at the way alcohol has changed our nation's history This is the often overlooked story of how alcohol has shaped American events and the American character from the seventeenth to the twentieth century Seen through the lens of alcoholism American history takes on a vibrancy and a tragedy missing from many earlier accounts From the drunkenness of the Pilgrims to Prohibition hijinks drinking has always been a cherished American custom a way to celebrate and a way to grieve and a way to take the edge off At many pivotal points in our history the illegal Mayflower landing at Cape Cod the enslavement of African Americans the McCarthy witch hunts and the Kennedy assassination to name only a few alcohol has acted as a catalyst Some nations drink more than we do some drink less but no other nation has been the drunkest in the world as America was in the 1830s only to outlaw drinking entirely a hundred years later Both a lively history and an unflinching cultural investigation *Drinking in America* unveils the volatile ambivalence within one nation's tumultuous affair with alcohol *Damn Great Empires!* Alexander Livingston, 2016-08-05 *Damn Great Empires!* offers a new perspective on the works of William James by placing his encounter with American imperialism at the center of his philosophical vision This book reconstructs James's overlooked political thought by treating his anti-imperialist Nachlass his speeches essays notes and correspondence on the United States annexation of the Philippines as the key to unlocking the political significance of his celebrated writings on psychology religion and philosophy It shows how James located a craving for authority at the heart of empire as a way of life a craving he diagnosed and unsettled through his insistence on a modern world without

ultimate foundations Livingston explores the persistence of political questions in James's major works from his writings on the self in *The Principles of Psychology* to the method of Pragmatism the study of faith and conversion in *The Varieties of Religious Experience* and the metaphysical inquiries in *A Pluralistic Universe* Against the conventional view of James as a thinker who remained silent on questions of politics this book places him in dialogue with a transatlantic critique of modernity as well as with champions and critics of American imperialism from Theodore Roosevelt to W E B Du Bois in order to excavate James's anarchistic political vision Bringing the history of political thought into conversation with contemporary debates in political theory *Damn Great Empires* offers a fresh and original reexamination of the political consequences of pragmatism as a public philosophy

Henry James's Feminist Afterlives Kathryn Wichelns, 2018-01-28 This book explores Henry James's negotiations with nineteenth century ideas about gender sexuality class and literary style through the responses of three women who have never before been substantively examined in light of their relationships to his work Writing in different times and places Annie Fields Emily Dickinson and Marguerite Duras nevertheless share complex navigations of womanhood and authorship as well as a history of feminist scholarly responses to their work Kathryn Wichelns draws upon James correspondence with Fields as well as Dickinson's and Duras's revisions of his fiction to offer a new understanding of gender transgressive elements of his project By contextualizing his writing within a diverse set of feminist perspectives each grounded in a specific time and place as well as nineteenth century views of queer male sexuality Wichelns demonstrates the centrality of Henry James's ambivalent identifications with women to his work

Daisy Miller and An International Episode Henry James, 2013-06-13 A unique edition of James's two complementary tales *Daisy Miller* and *An International Episode* in which the young American girl irrupts into European society This edition includes introduction and notes by Adrian Poole and an Appendix on stage and screen versions of *Daisy Miller*

The Jolly Corner and Other Tales, 1903-1910 Henry James, 2017-09-21 The Cambridge Edition of the Complete Fiction of Henry James provides for the first time a scholarly edition of a major writer whose work continues to be read quoted adapted and studied *The Jolly Corner* and *Other Tales* 1903 1910 includes the final ten stories James wrote Many involve satirical critiques of an increasingly narcissistic acquisitive society from *The Papers* with its attack on celebrity culture to *The Birthplace* offering a sardonic view of the Shakespeare industry and *A Round of Visits* which conducts a horrified tour through selfishness and swindling in early twentieth century New York The title story itself was in James's own view a miraculous masterpiece in the line of the fantastic gruesome the supernatural thrilling the best thing of this sort I've ever done With its extensive textual history and wide ranging notes this volume will interest not only James scholars but all students of early twentieth century Anglo American literature and culture

The Aspern Papers and Other Stories Henry James, 2013-02-14 There's no baseness I wouldn't commit for Jeffrey Aspern's sake The poet Aspern long since dead has left behind some private papers They are jealously guarded by an old lady once his mistress and muse a recluse in an old palazzo in Venice tended by her ingenuous

niece A predatory critic is determined to seize them What can he make of the younger woman What are his motives What are the papers worth and what is he prepared to pay In all four stories collected here including *The Death of the Lion* *The Figure in the Carpet* and *The Birthplace* the figure of the artist is central Extraordinarily prophetic James explores the emergent new cult of the writer as celebrity and asks who cares about the work for itself Can the man behind the artist ever truly be known and does our knowledge explain the act of creativity This new edition includes extracts from James's Prefaces and Notebooks which shed light on the genesis of the stories ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Brothers George Howe Colt, 2014-05-06 Blends history and memoir in an account that in alternating chapters explores the author's quest to understand the impact of his brothers on his life and the complex relationships between iconic brothers including the Thoreaus the Van Goghs and the Marxes

Philosophical Siblings Jane F. Thraikill, 2022-02 This collective study of the James siblings Alice William and Henry lights up their shared intellectual project showing how minds meet in a world teeming with possibilities and risks *Philosophical Siblings* offers a fresh way of thinking about literary encounters one that approaches even the most iconic texts with serious lightness

Experiencing William James James Campbell, 2017-11-17 William James has long been recognized as a central figure in the American philosophic tradition and his ideas continue to play a significant role in contemporary thinking Yet there has never been a comprehensive exploration of the thought of this seminal philosopher and psychologist In *Experiencing William James* renowned scholar James Campbell provides the fuller and more complete analysis that James scholarship has long needed Commentators typically address only pieces of James's thought or aspects of his vision often in an attempt to make the task of understanding James seem easier than it is or else to dismiss him as a philosophically unprepared if well meaning amateur The isolated nature of these examinations too often divorced from the original contexts badly hinders and even distorts their conclusions Focusing on James's own ideas rather than his critiques of others and drawing from a wealth of scholarship that includes the completed editions of his writings and correspondence *Experiencing William James* provides an invaluable comprehensive view of James as he participates in and advances the pragmatic spirit that is at the core of American philosophy Taking the whole of the man's thinking into account this book offers the richest perspective so far on this great but not fully comprehended intellectual
