

## HOUSE TREE PERSON INTERPRETATION

### What's being analyzed in your drawing?

- **The dimensions of the drawing** represent your level of self-esteem and confidence.
- **Strokes and lines** (their pressure, firmness, and solidity) indicate the level of determination and how comfortable you feel during a decision-making process. For example, if you tend to draw the same line twice, it shows insecurity, dissatisfaction, and out-of-control perfectionism.
- **Clarity** represents harmony and flexibility.

### 1. The image of the house

The house represents family relations - how you see and interpret home and family life. It says a lot about how you feel about family values in general and your family in particular.

- **Roof:** represents the intellectual, fantasy, and spiritual life.
- **Chimney:** the affective and sexual life. Smoke coming out of the chimney symbolizes internal tension.
- **Walls:** the firmness and strengths of your personality.
- **Door and windows:** relationship with the surrounding world, social context, level of integration. For example, a very large door shows that you're very dependent.
- **Sidewalks:** openness, access to your intimate family life.
- **Ground:** stability and contact with reality.

### 2. The image of the tree

The tree symbolizes the deepest and most unconscious aspects of your personality. It represents those things you usually keep to yourself.

- **Crown:** ideas, thoughts, self-concept. For example, crown density is directly connected with mental productivity.
- **Branches:** social contacts, aspirations, and level of satisfaction or frustration.
- **Trunk:** represents your sense of self, the intactness of your personality. If it's curved, it means you're flexible and adapt easily.
- **Roots:** related to your unconscious and instinctive inner world, reality testing, and orientation.
- **Ground:** contact with reality and stability. For example, its absence represents difficulties coping with reality.

### 3. The image of the person
