**The Hovels of Ireland (Classic Reprint)** Fanny Parnell, 2018-03-21 Excerpt from The Hovels of Ireland I is on this axiom that we base our present movement which is directed not against property or its rights but against the abuse of those rights When Madame Roland said as passing to her doom she looked up at the statue of Liberty Oh Liberty how many crimes have been committed in thy name It was not because she loved or revered liberty the less it was against the abuses perpetrated under its ensign that she protested So now do we protest against the system which has turned an institution that was founded for the well being of the greater number and of the most industrious classes into a mere instrument for the benefit of the smallest number and of the idlest class in society About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The poetical Works of Thomas Moore* Thomas Moore, 1870 *Classic Irish Houses of the Middle Size* Maurice James Craig, 1977 *Books Ireland*, 1994 **The Publisher**, 1909 [The Publishers' Circular and Booksellers' Record](#), 1909 **Publishers' Circular and Booksellers' Record of British and Foreign Literature**, 1909 **Cyclopaedia of English Literature** Robert Chambers, 1904 **Chambers's Cyclopaedia of English Literature** Robert Chambers, David Patrick, 1903 **The Burke-Wollstonecraft Debate** Daniel I.
