How Alexander the Gnome Found the Sun Frank Scott, Nisa Montie, 2015-12-15 By digging upwards Alexander finds the world above where the sun rises and sets and new friends come to welcome him Flower Fairies Tree Spirits Dragonfly Riders Kurt the Rock Gnome and the beautiful lake fairies who touch his heartStaria Latia and Selene Evening Fairy Song You have come up from the Underground To see the Sun bright world We bless you on your Gnome Home away Come back again to Echoes of a Vision of Paradise, a Synopsis Frank Scott, Nisa Montie, 2015-12-16 We have not heard of anyone besides the present author who has experienced near death multiple times over a forty year period In fact this author has experienced going to the other side more than half a dozen times each different than the one before as well as over a dozen out of body events that leave the body interacting with others who remain unaware of the occurrence We also know others who have died and come back These unique experiences were meant to open up a new realm of understanding that tells a more complete story of existencea story of eternity that takes entities outside the box We are seekers of knowledge and the love of God Once we are connected to the root the soul responding to the clarion call from the beloved forming communities of the Called Christian Jewish Islamic Buddhist Hindu Zoroastrian Bahai and others awaiting to be chosen obtain our missions and assist in the advance of an eternal civilization having each found through the journey his or her eternal companion We exist to serve God lord of all the worlds eternally We are entities potentials in transit and transcendence from one to other worlds of God We are Soul possessingthe engraved image of the Creator through which He reveals His beauty This gives each of us a soul based state of awarenesstenth dimensionally speaking We are spirits imperceptible fields of activity the precursor engine of all that becomes manifested **Restoring the Heart** Frank Scott, Nisa Montie, 2015-12-07 This kind of Love binds each of us eternally carrying a message of hope to those that despair and find themselves isolated It promotes the advancement of a Divine Civilization as each Realm acts as an expression of its own luminescent radiance and purity expressing its own density related in quality and character to a material composition in a three dimensional state and becomes a way of the heart towards GodLiving Gods Dream Paradise We move through each world of God as we vanish from one into the other superposed layered and embedded dream state into a singularity collapsed into a point of Lightthe state of pure awareness We have learned to give each other what we crave and desire and in this way we have built civilizations over time that we thought and think of as successes Yet the program we created removed us further from the Truth caught us within our own web of third and fourth dimensional desires leaving us with the realization that we are truly empty dead to the Spirit Soul and the True Life Giver at the end of the road All the things we do and have for all their material or even emotional worth cannot bring the joy and peace we really desire and need Worst of all we have taken from each other the means to know the Truth and make the right choices We have robbed from one another the Voice from within once we lost our mutual trust Echoes of a Vision of Paradise Frank Scott, Nisa Montie, 2015-12-16 Echoes of a Vision of Paradise Volume 1 presents the idea that a human Soul possessing Spirit Being a gated unmodulated potential carrier of light who is unaware of the Divine Plan is not yet considered enlightened To be enlightened one must be a Soul possessing Spirit gated and modulated Being or an enlightened aware of the engraved Image and Beauty of God within Soul possessing Spirit gated modulated carrier a Light being To be an enlightened being you are aware that you are aware that you are a manifestation of God able to reflect as in an image Second you have the knowingness that God does what He Wills and as He Pleases In other words you are His design and no matter what all paths lead to God Whatever one may be doing will eventually lead to the process of enlightenment The only question remaining is how do you choose to make your journey Swift and smooth or slow and harsh One dot of light is a symbol used to represent the whole of Creation Within this dot of light everything that is unmanifested and manifested hidden and seen far and near is contained as an ever present potential in transit expanding and transcending over time into unified fields of a the Spirit of slow collapsing gating systems Infinite points of entry are assembled into structures with forms and functions that translate information into systems of intelligent life and more male and female human pairings as eternal companions that vibrate in a definite pattern of Light and the Castle Frank Scott, Nisa Montie, 2015-12-16 My name is Impetuous It is time to start your journey for your kingdom and castle declared the unicorn tossing his brilliant head and mane Leon was confusedhad he really asked for this How do you propose we do that Jump on my back When Prince Leon flies to a new land with the turquoise unicorn Impetuous love lands in his path in the form of the mysterious woman named Lily Could she be his gueen for eternity Frank Scott, Nisa Montie, 2015-12-11 The Professor will be so happy We have proven that the Virtues really do work to create Return to Paradise Happy the Bluebird chattered excitedly If Happy and Bright Wings the Cardinal could have seen just behind their backs they would have noticed that inside each of their backpacks was a glowing Virtue stone Bright and steady as a star each stone shone with the word Wonder Thank you God Professor Tortoise whispered to herself Then she looked out the window saying Thank you Happy and Bright Wings to the two birds as they flew in through the window of her office for the Virtue Mission accomplished Time for a party exclaimed Happy Good idea said Bright Wings Professor Tortoise do you happen to have a bowl of water around I am quite thirsty Here you go A big bowl of sparkling clear water for both of you Lets celebrate Return to Paradise said the beaming Professor So they did The Simulator Frank Scott, Nisa Montie, 2015-12-16 It is impossible to detect the Simulator unless you are able to get out of its box that contains you Difficult to perceive it hides in subtlety a layering that is superposed in such a manner that ones senses catch only that which becomes uploaded to the brain and converted into a mind world construct the reality we experience from moment to moment It is impossible to understand for the instrument itself the mind is found within its precinct Detection of the Simulator the main program running everything the Dream outside the entitys dream occurs as an act that delineates each level of the Simulators layered embedded and superposed components through the entitys Soul based state of awareness This process is accomplished

through the Creators inscrutable and mysterious Will and Pleasure More specifically in order for the entity known as human to qualify or graduate from one level of awareness to the next the entity in the role of a male or female must fully surrender within his or her heart to the All Knowing Echoes of a Vision of Paradise Volume 2 Frank Scott, Nisa Montie, 2015-12-16 Volume 2 This ascension may be greatly accelerated when accomplished in a divine relationship an eternal companionship created originally by God between the two Soul possessing Spirit beings in the beginning that has no beginning The path to eternal companionship begins with two individuals in the role of a man and a woman following whatever script costumes and props he or she may be using in the theater of life To simplify the journey as we search for the Truth the individual regardless of roles and scripts costumes and props must remember and return to his or her Higher Self the human Soul possessing Spirit gated and modulated being s state the fifth dimension of awareness The individual must detach himself or herself from the ascribed value system that has been applied up until then in life It is God the Creator who brings the shifts in our conscious awareness and the blessings of the Spirit imperceptible fields of activities at first that are continuously expressed in daily life opportunities or concepts that bring closure to a project recoveries from illnesses the finding of one s way in difficult situations and conflict resolutions when all appears lost Andy Ant and Beatrice Bee Frank Scott, Nisa Montie, 2015-11-13 When Andy Ant is walking through the forest he finds a bee who has a hurt wing and cannot fly By practicing compassion Andy makes a new friend and his ant colony receives a surprise reward from Beatrice Bees hive mates

write your own plays illustrating moral and ethical qualities that are good for us humans to practice Enjoy the process as youand weall make our ways closer to Gods dream of perfection for each of us A Being of Light: God's Will and **Pleasure** Frank Scott, Nisa Montie, 2016-08-04 It is important to understand that the Simulator exists to be experienced Vis a Vis that which is experienced exists as appearances and names Yet we know that all that is experienced is not real and there is a lot more that exists that remains unexperienced Moreover in order to experience anything the entity must be consciously aware of that which exists and is real and since there is much more within the Simulator that remains hidden and unseen there must be a Source that is Aware and is the First Cause of its existence for it to exist and be experienced and that Source we call God Additionally in order for a state of conscious awareness in an entity known as human by agreement to exist and be Self aware because it exists and is real there must be a God that exists and is real that is both Aware and is Source of that state of heart and mind for it to exist and be experienced Furthermore in order for the experience of existence to occur and be experienced there must be a God that is Source of all that was is and will be for what is known as Creation for that to exist be real and be experienced For all this to be what it is there must be a purpose a direction and a significance that all entities need to explore and discover acknowledge and accept appreciate and Remember its Cause in order to Return and experience the SourceGod Katie Caterpillar Finds Her Song Frank Scott, Nisa Montie, 2015-12-15 I wish I knew my song to sing Then I would know who I am and that special gift I have to share here on Mother Earth I know Ill go around to my Nature friends and listen to their songs too Maybe a memory will be sparked and Ill remember mine Katie Caterpillar listens to Pamela Pine Tree Tommy Turtle Felicia Fawn and Bright Eyes the Eagle sing their songs until Mother Nature gives her a chrysalis Thank you God that I came to be my Self changed from a worm to butterfly Bee and Fairy Power Frank Scott, Nisa Montie, 2015-12-23 Who are you and why have you entered my dream space Donya asked I am a bee from planet Earth and my name is Ben He circled around and chanted SOSSOSThe bees are dying The pollen is poisoned with chemicals and the genetic code of the plants has been modified so that they no longer are nourishing to All Life Earth Mother's skin the soil is cracked and dead If we cannot pollinate the plants not enough plants will grow to feed the animals and the humans Life on Mother Earth will cease as we know it The humans won t have food I ll help you Ben the Bee Startling himself fully awake as he spoke out loud Donya looked around Whoa Manny you ll never guess who came into my dream space Manny rustled his leaves and rumbled deep within his trunk Was it Ben the Bee Echoes of a Vision of Paradise Volume 3 Frank Scott, Nisa Montie, 2015-12-16 Volume 3 We wonder how a creature can sense the presence of the Creator Can someone so far removed truly be so near Is there a way to become cognizant of God s imprint in His creature how He makes Himself known and established in heart and mind What would happen if that nearness were possible The answer is found in the following statement I am aware that I am aware that I can find a clear appearance of God His image and beauty in my Soul To realize and thus to Know and understand comes from a shift in how we treat our inner Selves a change of heart core and essence We

thus come to comprehend that we were created to manifest the Creator using attributes that express and attest to that station From time to time a Manifestation of the Creator comes to town that is in human form upon the Earth He dispenses the information required for changes that sets the stage for the way we should live modifications in the collective and individual design Our mind world sense perceived constructs run contrary to life and are lacking the ingredients for a complete delivery of both a successful collective narrative within our planetary system of intelligent life and as individuals the changes that bring about enlightenment and the love of the Creator the Dreamer A Mystic Knower's Sojourn in a World of Time Frank Scott, Nisa Montie, 2018-11-19 This modern day mystic knower's written essence of a lifetime is a prelude to the twenty five books coauthored with his eternal companion over the last five years Composed of personal unusual and miraculous events these experiences serve to open our eyes to the nature and purpose of the workshop we call creation a simulator only of the eternal domain of perfections toward which we should set our sights Read this book to find out where the soul and the spirit's compass points are or risk not remembering and returning to endless worlds of time Oneness from within and from without is at hand reach for it and a flawed world becomes paradise Fly, Fly, Louie Louie Frank Scott, Nisa Montie, 2016-08-03 Louie Louie is a crazy blue cat who wants to fly All his friends from Nick the Salamander and Solo the turtle to the pig musical trio Uno Oink and Zito are worried After a harrowing trip pouncing and bouncing up the mountains of Nanimba and a helpful warning from Lady Iris Seagull he decides to be himself Lively fun animal illustrations animate this tale teaching pre school and kindergardeners about self acceptance **Igor's Walkabout** Frank Scott, Nisa Montie, 2016-08-04 One afternoon Igor the eccentric cockroach adventurer leaves his palm tree and family to visit the Big House Despite Uncle Potoskis warningand owing to a kind deedIgor arrives home with a very sweet treasure Laugh with your preschooler by sharing this amusing whimsically illustrated tale of an unlikely hero **Paradise:** Frank Scott.Nisa Montie, 2016-09-13 This is the final book in a series of books dedicated to explain and assist in the understanding of ones journey within the simulatora trainer as a system for the development of life and intelligence remembering and returning to ones higher self
