brought about by the people failing to keep the commandments and Lesson 3 adds the note of divine judgment. It's only when we get to Lesson 4 that the new creation theme emerges. But after the journey the first three lessons take us through the need for a fresh start is obvious and the message of restoration that God announces through Hosea is most welcome. A New People Scripture Jeremiah 23:1-8 Daniel 1:8-17 Daniel 3:19-30 Nehemiah 9:9-17 32-33 Spiritual Practice Prayer While the Lord invites all to be people of God the Old Testament is essentially the story of God's dealings with a specific group of people the Israelites. The four lessons of this unit give us an opportunity to look at some key stories related to those dealings: God and the remnant, the community's connection to God, God's care for the people in a time of great stress, and how God's love for the people continued despite their unfaithfulness. All these stories have applications to us today but we begin to learn about God's ways through biblical stories about God and the Israelites. A New Way of Life Scripture Luke 19:1-10 John 4:7-30 39-42 Luke 10:25-37 Matthew 15:21-28 Mark 5:1-20 Spiritual Practice Hospitality The Bible passages in the five lessons of this unit are all intended to enlarge our understanding of the word neighbor. Four of the five are incidents that directly involve Jesus and the fifth is a parable Jesus told expressly to show what it means to be a neighbor, the parable we call the parable of the good Samaritan. All these passages are important for they elucidate Jesus' summary statement of one of the two most important commandments: You must love your neighbor as you love yourself. Matthew 22:39 Both supplementary and complementary to the Adult Bible Studies student book, the teacher book provides small group leaders, teachers, and facilitators with additional biblical background and exposition and suggestions for guiding group discussion.
