Jette, 2021-07-23 With all the turmoil and unrest in our nation it seems many have turned our eyes away from the prize we began this race to win We have forgotten we are not running for a corruptible crown that will fade away We have forgotten we chose to run this race because we desired to win the incorruptible crown Our cross of self denial has become too cumbersome and our race too arduous too demanding We have become more concerned with enjoying this life instead of running for the prize of the future Because we are centered on the now and not the future we have lost the desire to persevere As we focus upon this life we are daily enticed to meander onto the wide and broad path This book is written to ignite the fire in us to persevere and focus on our
