Soweto to Beirut Jediaiah Ramalapa,2021-06-01 Soweto to Beirut follows a young South African Journalist on an emotional journey of self discovery while covering conflict in Beirut Lebanon 2006 The experience of war precipitates a deep loss of faith triggering childhood memories of growing up in Soweto in the early 80s with dramatic implications for relationships in her life It s a fast paced journey through time and place giving you the sensation of being nowhere and everywhere at the same time Another perspective on how intergenerational trauma can wreak havoc in the personal and professional space [Scepticism Comes Alive](#) Bryan Frances,2005-06-16 In epistemology the nagging voice of the sceptic has always been present Over the last thirty years or so philosophers have thought of several promising ways to counter the radical sceptic for instance facts about the reliability of our cognitive processes principles determining which possibilities must be ruled out in order to have knowledge

and principles regarding the context sensitivity of knowledge attributions In this entertaining and provocative book Bryan Frances presents a new argument template for generating new kinds of radical scepticism ones that hold even if all the clever anti sceptical fixes defeat the traditional sceptic Not only is the argument schema novel but the sceptical consequences are entirely unexpected Although the new sceptic concludes that we don't know that fire engines are red that we sometimes have pains in our knees or even that we believe that fire engines are red or that knees sometimes throb he admits that we know millions of exotic truths such as the fact that black holes exist You can know about the existence of black holes but not about the colour of your shirt or even about what you believe regarding the colour of your shirt The new sceptical arguments proceed in the usual way here's a sceptical hypothesis you can't neutralize it you have to be able to neutralize it to know P so you don't know P but the sceptical hypotheses plugged into it are real live scientific philosophical hypotheses often thought to be actually true such as error theories about belief colour pain location and character traits Frances investigates the questions Under what conditions do we need to rule out these error theories in order to know things inconsistent with them and Can we rule them out Particular attention is paid to recent methods used to counter the traditional sceptic Sharp witty and fun to read *Scepticism Comes Alive* will be highly provocative for anyone interested in knowledge and its limits **The Living Age**, 1926 Forming Faith Matt Markins, Mike Handler, Sam Luce, 2024-08-06

Resiliently rooted in Christ living into this formational moment What would it look like to form kids with lasting faith in Jesus no matter the culture or context Does this seem possible It's getting harder to imagine in our highly secularized culture Current approaches to faith formation aren't working Matt Markins Sam Luce and Mike Handler combine leadership experience from Awana global pioneer in children's discipleship with pastoral wisdom to provide a much needed timely resource for the church and home *Forming Faith* helps us understand what isn't working why it doesn't work and what we can do to build the church Markins Luce and Handler fathers and leaders look at the blueprint often employed in children's ministries that seems innovative but is greatly misguided *Forming Faith* brings not only analysis it provides biblically based backed by research solutions to form lasting faith in our children We have real concerns and fears for the kids we love More than anything we want to see younger generations follow Jesus with conviction and compassion What must we be doing at church and at home to strengthen our influence This resource provides the focus resiliency and hope we all need **What**

Did Jesus Do? Becoming Like Jesus in Teenage Years and Beyond Evan Christopherson, 2024-04-23 We often hear the rhetorical question What would Jesus do The reality is in many instances we know what Jesus would do We have a written record which we refer to as the Bible that gives us a window into the life of Jesus He faced many of the same things that people face every day Rather than asking What would Jesus do a better question is What did Jesus do Jesus lived a life and faced struggles just like us Think about an area of your life that you struggle in the most The odds are Jesus experienced the same thing If we want to live a life that honors God it's worth exploring what Jesus did when he was faced with difficult

circumstances in life That s what this book is all about Learning from the life of Jesus so that we can become like Jesus ourselves In an age where so many teenagers are caught up in a self focused life What Did Jesus Do shows them a bigger better and bolder way to live one patterned after Jesus s life on Earth and focused on His cause of making disciples As teens learn to walk in the way of Jesus they ll not only find solutions for their everyday struggles like anxiety and peer pressure but they ll also discover deep joy and enduring purpose as they partner with Jesus in His mission to seek and save the lost What Did Jesus Do points the way Greg Stier founder and visionary Dare 2 Share Ministries Sometimes we talk about salvation as cosmic fire insurance getting to go to heaven when we die But when Jesus preached the good news he described it as the kingdom of God coming to earth We get to experience God s will being done on earth as it is in heaven just as we see in Jesus s own life By exploring what Jesus did Evan Christopherson leads us back to the reality that God s transforming work in our lives is central to our experience of salvation as we encounter his grace Ben C Blackwell PhD Director of Houston Theological Seminary Evan Christopherson BA in Christianity Houston Baptist University MDiv in Youth and Family Ministries Liberty University is the student pastor at Clearpoint Church in Pasadena Texas He is married to his lovely wife Haley Christopherson and they have two daughters Zoe and Lainey Evan s passion in life is to see people become rooted and grounded in God s Word and to spread the Gospel everywhere they go You can follow Evan on Instagram
