Your Ascension Mission Joshua David Stone, Janna Shelley, 1998-09-01 We are all as unique as individual snowflakes intricately designed so that no two are alike yet when observed as a whole we form the blended essence of lightworkers merging into vaster and fuller aspects of God the one great whole Each of us holds a very specialized piece of the divine puzzle of God or the whole The more attuned we become to God the more we are called to find and fulfill that specialized piece of the puzzle belonging to ourselves alone When we find this puzzle piece and embrace it we are then able to fulfill our divine mission on this Earth In this book Dr Joshua David Stone shows how each person's puzzle piece is just as vital and necessary as any other

Cosmic Ascension Joshua David Stone, 1998-02-01 Almost all the books on the planet on the subject of ascension are written about planetary ascension However because of the extraordinary times in which we now live in terms of Earth's history there is a new opening and potentiality to also begin one's cosmic ascension process This has never before been available It must be understood as Vywamus has said that in completing our planetary

ascension we are no more than one tenth of the way up a ten inch ruler in terms of our cosmic ascension process This includes most of the ascended masters We on Earth who are working to complete our seven levels of initiation must remember that there are 352 levels of initiation to return to the godhead or Father Mother God at the top of creation Most of the Ascended Masters of the entire Spiritual Hierarchy are not beyond the 12th initiation This is not a criticism just a statement of fact The question is What lies beyond the next nine tenths of the ruler and how do we achieve our cosmic ascension as well as our planetary ascension which is no small feature in and of itself Is it for the purpose that the author was guided to write his book *Manual for Planetary Leadership* Joshua David Stone,1998-10-01 Book IX of the multivolume series The Easy To Read Encyclopedia of the Spiritual Path Here at last is an indispensable book that has been urgently needed in these uncertain times The book lays out in an orderly and clear fashion the guidelines for leadership in the world and in ones own life All the areas of our society and personal life that need discipline and leadership are pointed out A firm foundation and guidance from a psychological and spiritual perspective are offered for change The ascended masters are called upon for their wisdom and sometimes opinions on the matters ranging from the political arena to science and religion This book serves as a reference manual for moral and spiritual living and also offers a vision of a world where strong love and the highest aspirations of humanity triumph **Hidden Mysteries** Joshua D. Stone,1995 The Essenes the Kahunas of Hawaii Pan and the nature kingdom the angelic kingdom the Vedas and Upanishads the Kabbalah the Yoga sutras of Patanjali the Egyptian mysteries and The Keys of Enoch These profound spiritual teachings unknown to so many on our planet are a valuable resource to anyone wishing to move further along the path to enlightenment and ascension This book contains a wealth of information on esoteric teachings from the ancient mystery schools to the recently founded religions More than a mere retelling of well known facts the story begins with what may be the most elusive knowledge of our time that of the extraterrestrial presence on Earth
