How to Be Rich Andy Stanley, 2013-12-31 You probably don't feel rich Rich is the other guy Rich is having more than you currently have But you can be rich and not feel it And that's the problem Andy Stanley is convinced that most of us are richer than we think We just aren't very good at it It's one thing to BE rich Andy wants us to be GOOD at it How to Be Rich lays out clear principles for carrying that load making sure your wealth remains a blessing not just for you but for your family and community for generations to come DAVE RAMSEY New York Times bestselling author and radio show host

Irresistible Andy Stanley, 2018-09-18 A fresh look at the earliest Christian movement reveals what made the new faith so compelling and what we need to change today to make it so again Once upon a time there was a version of the Christian faith that was practically irresistible After all what could be more so than the gospel that Jesus ushered in Why then isn't it the same with Christianity today Author and pastor Andy Stanley is deeply concerned with the present day church and its future He believes that many of the solutions to our issues can be found by investigating our roots In Irresistible Andy chronicles what made the early Jesus Movement so compelling resilient and irresistible by answering these questions What did first century Christians know that we don't about God's Word about their lives about love What did they do that we're not doing What makes Christianity so resistible in today's culture What needs to change in order to repeat the growth our faith had at its beginning Many people who leave or disparage the faith cite reasons that have less to do with Jesus than with the conduct of his followers It's time to hit pause and consider the faith modeled by our first century brothers and sisters who had no official Bible no status and little chance of survival It's time to embrace the version of faith that initiated against all human odds a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen This is a version of Christianity we must remember and re-embrace if we want to be salt and light in an increasingly savorless and dark world
