had broken up citing irreconcilable differences Layla hadn't wanted his family to know the truth Following the accident she walked out for good he assumed Charlize Seagrave never fit in anywhere drawn to danger darkness and drugs For years she was the guitarist and songwriter for a death metal band and involved with the frontman who only encouraged her deadly addictions In order to hide from Freyr Charlize checked herself rehab Later clean another first in her life she attended her new friend's wedding and met Ben Despite their instant connection he was supposedly in a committed relationship and she had no interest whatsoever in commitment If only Ben wasn't so unlike every other person she's ever known If only she didn't feel like he alone understands and gets her When Charlize returns to Amethyst at Halloween Ben knows loneliness has nothing to do with his feelings for her His attraction to her the last time she was in Amethyst wasn't something he was comfortable with despite that he and Layla had broken up even before his family learned of the fact But now Layla is implying she's had a change of heart Ben wonders if this is all getting too complicated or if the solution is as simple as a kiss

Indomitable Karen Wiesner, 2020-04-24 Newlyweds Tori Bertolotti and Raze Salen the heart and soul of the Human spacefaring liveship the Aero are separated Ambassador Raze continues to negotiate formal alliances while Tori and the best scientific minds in the galaxy try to figure out how to stop the organic menace swallowing the universe in darkness Meanwhile civil war threatens to erupt between Earthers and Spacers and the leader of the Napoleonic Sinshe has defected But can he convince his people including his own sons leading the armada against all other worlds and cultures that they've been indoctrinated and enslaved to lies against their will

Blame it on the Rain Karen Wiesner, 2019-05-31 Talise Tally Johnson is the second youngest in a family of nine siblings having grown up a lifer in the small town of Amethyst where thousands of tourists flock in summer Once the tourist season is over the remaining residents do anything and everything to get through the long hard winters Tally's family owns Johnson Resort Tally has managed to cultivate her job there to include professionally cleaning businesses all around the area throughout the year Like most Amethyst lifers she can't imagine ever moving but Amethyst isn't exactly a hotbed for excitement She and handsome bad boy Adam Schaefer have been an item since high school Against all odds and despite being a reckless youth always in trouble Adam is one of the few born and bred in Amethyst who have managed to get out into the big wide world As a pilot for a large commercial airline he's barely home two weeks out of every year Tally and Adam's informal engagement has stretched out into years and seeing the happy couples getting engaged married and starting families all around her she begins to wonder if he's serious or simply sees her as a convenient stop on the never ending tour of his life Donnie Garner's best friend Adam is easy to admire Though they grew up together and got in the same fracas as boys Adam has made something of himself Donnie still lives in Amethyst still works in his dad's vehicle repair shop with no other career aspirations still loves the same girl he spent most of his teenage years obsessed with though she's happily married with kids Donnie finds himself longing to experience the kind of loyalty and crazy love with a soulmate that he also sees all around him For once in his life he'd like to be the hero in some amazing

woman's life Donnie isn't blind to the shoddy way Adam treats beautiful and sweet Tally cheating on her without remorse and bragging to him about it while Tally carries on believing the best of him and his future intentions toward her Almost unconsciously Donnie finds himself in love with his best friend's girl and trying to make her see she'd be better off without Adam maybe even better off with him But even when Tally falls in love with Donnie instead she can't easily turn away from the father of the child she never expected to be carrying
