[My Father's Wake](#) Kevin Toolis, 2018-02-27 An intimate lyrical look at the ancient rite of the Irish wake and the Irish way of overcoming our fear of death Death is a whisper for most of us Instinctively we feel we should dim the lights pull the curtains and speak softly But on a remote island off the coast of Ireland s County Mayo death has a louder voice Each day along with reports of incoming Atlantic storms the local radio runs a daily roll call of the recently departed The islanders go in great numbers young and old alike to be with their dead They keep vigil with the corpse and the bereaved company through the long hours of the night They dig the grave with their own hands and carry the coffin on their own shoulders The islanders cherish the dead and amid the sorrow they celebrate life too In My

Gordon Zyne,2025-02-11 Give Birth to a Dancing Star is Theopoetry Theopoetry is a literary and spiritual expression that bridges the gap between doctrinal theology and poetry It is an approach

to articulating the Divine and the human experience of God through poetic language Unlike traditional theological discourse which relies on analytical and doctrinal precision Theopoetry embraces metaphor emotion and imagination to delve into the mysteries of existence and transcendence While most Theopoetry is serious some reflects the humorous and confounding experiences of people in their everyday lives Theopoetry draws inspiration from sacred texts liturgy and religious tradition reinterpreting them in ways that resonate with contemporary life It can also incorporate modern philosophical and cultural influences blending ancient truths with modern sensibilities Theopoetry focuses on poetic exploration such as the interplay of human suffering and Divine grace as a way to engage with Divine mystery It is less concerned with doctrinal precision and more with evoking a sense of the sacred Theopoetry invites readers to experience theology as a living dynamic encounter rather than a rigid framework It seeks to move beyond dogma into the realm of shared human and Divine mystery offering space for wonder doubt and the sacred imagination In a world where theological language can feel abstract or inaccessible these daily theopoetic meditations provide a way to connect deeply and personally with spiritual truths It honors the complexity of faith the beauty of the Divine Spirit and the richness of human experience creating a space where imagination and theology meet
