*Decisive Battles India Lost (326 B. C. to 1803 A. D.)* Jaywant Joglekar, 2006-10-01 This book is on military history of India This is an aspect of Indian history that has received scanty attention The political social and cultural aspects of Indian history have been more than adequately dealt with by eminent Indian and western scholars This deficiency is largely responsible for

the lack of insight in the real life of India and has produced distorted judgments about things Indian Those who want to have correct perspective of Indian history must learn the military aspect of Indian history In this book the following six battles have been described and analyzed 1 The battle of Jhelum 2 The battle of Tarori 3 The battle of Kanwa 4 The battle of Rakshas Tagadi 5 The battle of Panipat 6 The battle of Assaye The conclusion is that if India wants to remain free and not become a satellite of a bigger power it must build an indigenously superior weapon system Borrowed knowledge and weapons may help overcome temporary deficiency but it is not a permanent solution **History of Rome** Max Cary,H.H. **The Mahabharata** ,2015-06-01 The Greatest Story Ever Told Dispute over land and kingdom may lie at the heart of this story of war between cousins the Pandavas and the Kouravas but the Mahabharata is about conflicts of dharma These conflicts are immense and various singular and commonplace Throughout the epic characters face them with no clear indications of what is right and what is wrong there are no absolute answers Thus every possible human emotion features in the Mahabharata the reason the epic continues to hold sway over our imagination In this superb and widely acclaimed translation of the complete Mahabharata Bibek Debroy takes us on a great journey with incredible ease **Encyclopedia of Hinduism** Denise Cush,Catherine Robinson,Michael York,2012-08-21 Covering all aspects of Hinduism this encyclopedia includes more ethnographic and contemporary material in contrast to the exclusively textual and historical approach of earlier works
