*How I Know God Answers Prayer* Rosalind Goforth, 2015-01-01 IT seems fitting that this little book of personal testimonies to answered prayer should have a brief introductory word as to how they came to be written The question has been asked by some who read many of these testimonies as they appeared in the pages of The Sunday School Times How could you write such personal and sacred incidents in your life I could not have written them but for a very clear God given leading

**How I Know God Answers Prayer** Rosalind Goforth, 2014-05-05 These incidents of answered prayer are not more wonderful or more worthy of record than multitudes the world over could testify to but they are written and sent out simply and only because I had to write them or disobey God Rosalind Goforth Proof of God s Power and Loving Faithfulness This collection of stirring testimonies is an everlasting tribute to the reality of a powerful God who responds to the prayers of His children Serving with her husband Jonathan on the front lines of China s Boxer Rebellion at the dawn of the twentieth century Rosalind Goforth was an eyewitness to the dramatic and miraculous ways in which the mighty hand of God responds to prayer during times of intense struggle This timeless Christian classic stands as a challenge for all believers to never give up reliance on God in prayer no matter how great the obstacles

**How I Know God Answers Prayer** Rosalind Goforth, 1921 IT seems fitting that this little book of personal testimonies to answered prayer should have a brief introductory word as to how they came to be written The question has been asked by some who read many of these testimonies as they appeared in the pages of The Sunday School Times How could you write such personal and sacred incidents in your life I could not have written them but for a very clear God given leading The story is as follows When in Canada on our first furloughs I was frequently amazed at the incredulity expressed when definite testimony was given to an answer to prayer Sometimes this was shown by an expressive shrug of the shoulders sometimes by a sudden silence or turning of the topic of conversation and sometimes more openly by the query How do you know that it might not have happened so anyway Gradually the impression deepened If they will not believe one two or a dozen testimonies will they believe the combined testimonies of one whole life The more I thought of what it would mean to record the sacred incidents connected with answers to prayer the more I shrank from the publicity and from undertaking the task There were dozens of answers far too sacred for the public eye which were known only to a few others known only to God But if the record were to carry weight with those who did not believe in the supernatural element in prayer many personal and scarcely less sacred incidents must of necessity be made public

**NEW TESTAMENT CONTEXTUAL COMMENTARY** Dr. Robert R. Seyda,2024-10-25 Now the beloved Apostle states clearly that if we love God we will obey His commands And those commands are not difficult for us to obey After all He came to be the Savior of the world So three things show us clearly that Jesus came from God Those things are the Holy Spirit the water of Jesus baptism and the blood of His death on the cross Therefore everyone who believes in Jesus the Son of God will know that what God says is true But anyone who does not believe in God is saying that God tells lies They just do not believe the message that God told us clearly about His Son You don't want to be one of those people Truly we can trust God to help us when we turn to Him We know that He will hear us When we ask for anything that He wants us to have He listens to us This is especially true when we see another Christian doing something bad this is what we should do If it is a sin that does not cause death pray that God will help him Then God will help that person to live forever with Him We should settle it in our minds that nobody who has become a child of God continues to do wrong things Instead the Son of God keeps them safe so that Satan cannot do anything to keep them from going to heaven So I beg you says John do not put anything in this world or of this world before God

**How God Answers Prayers** James Kwaku Gbanaglo,2019-10-01 Prayer is a practice a tool or a key that brings the

presence of God wherever It is a place where pride is abandoned and in the process hope is built up high and supplication is made to God for His forgiveness in humility claiming dependence upon him Prayer is the moment of making our request to God Prayer is the exercising of faith and hope Faith and hope are the two elements that bring about the functioning of prayer to make expected results to come to pass Prayer is a privilege of touching the heart of the Father through his Son Jesus Christ our Lord and Savior It is very important for every Christian and without it our lives are meaningless and difficult for us For instance it would be impossible to ask for things from God because prayer is a communication between humankind and God irrespective of our religion Nevertheless prayer should be taken very seriously because it is the only way we can speak with God and an opportunity to spend time with God To understand the heart of God and to even protect yourself you need to pray Prayer can be used to fight our spiritual battles that linger in dark places Anyone who puts prayer into practice would know how God answers our prayers Let me assure you my fellow men God answers every prayer Psalm 17 1315 Arise O Lord Stand against them and bring them to their knees Rescue me from the wicked with your sword By the power of your hand O Lord destroy those who look to this world for their reward But satisfy the hunger of your treasured ones May their children have plenty leaving an inheritance for their descendants Because I am righteous I will see you When I awake I will see you face to face and be satisfied **Mary Slessor of Calabar** William Pringle Livingstone,1915 **The Bible Answer Book** R.

have faith in God and trust that He is prepared to answer when we call on Him But without faith it is impossible to please him for he that cometh to God must believe that he is and that he is a rewarder of them that diligently seek him Heb 11 6 Prayer is diligently seeking the face of God so if we are going to pray then we should believe that God is going to listen and answer our prayer     St. Andrew's Cross ,1910     Healing in Answer to Prayer John R Rice,2000-08
