English File 4E Intermediate Plus Student Book Christina Latham-Koenig, Clive Oxenden, Kate Chomacki, Jerry Lambert, 2020-01-02 English File's unique lively and enjoyable lessons are renowned for getting students talking. In fact, 90% of English File teachers we surveyed in our impact study found that the course improves students' speaking skills. The Loss of an Identity Mary Ableman, 2020-03-31 In a night of tragedy that shocked Boston and Cape Cod to the core, the golden Patterson family became the talk of headlines. Chloe Patterson lost not only her twin sister but she also lost her memory. Now five years later, after a run-in with someone from her twin sister's past, she begins to search for answers that put her life and heart in jeopardy. As flashes of the past start to come back to her, she races to uncover who stole her sister from her and she quickly discovers that she can trust no one, not even herself.

Our Lady of Perpetual Hunger Lisa Donovan, 2021-08-03 Named a Favorite Book for Southerners in 2020 by *Garden of Eatin'*, Donovan is such a vivid writer, smart, raunchy, vulnerable, and funny that if her vaunted caramel cakes and sugar pies are half as good as her prose, well, I'd be open to even giving that signature buttermilk whipped cream she tops her desserts with a try. Maureen Corrigan, NPR. Noted chef and James Beard Award-winning essayist Lisa Donovan helped establish some of the South's most important kitchens, and her pastry work is at the forefront of a resurgence in traditional desserts. Yet Donovan struggled to make a living in an industry where male chefs built successful careers on the stories, recipes, and culinary heritage passed down from generations of female cooks and cooks of color. At one of her career peaks, she made the perfect dessert at a celebration for food world goddess Diana Kennedy. When Kennedy asked why she had not heard of her, Donovan said she did not know. I do, Kennedy said. Stop letting men tell your story. OUR LADY OF PERPETUAL HUNGER is Donovan's searing, beautiful, and searching chronicle of reclaiming her own story and the narrative of the women who came before her. Her family's matriarchs found strength and passion through food, and they inspired Donovan's accomplished career. Donovan's love language is hospitality, and she wants to welcome everyone to the table of good food and fairness. Donovan herself had been told at every juncture that she wasn't enough; she came from a struggling southern family that felt ashamed of its own mixed-race heritage and whose elders diminished their women. She survived abuse and assault as a young mother. But Donovan's salvations were food, self-reliance, and the network of women in food who stood by her. In the school of the late John Egerton, OUR LADY OF PERPETUAL HUNGER is an unforgettable Southern journey of class, gender, and race as told at table. *Congressional Record*, United States, Congress, 1968.

Game Over (Bob Skinner series, Book 27) Quintin Jardine, 2017-04-20 GAME OVER is the twenty-seventh gripping Bob Skinner mystery from crime master Quintin Jardine, author of HOUR OF DARKNESS, LAST RESORT, PRIVATE INVESTIGATIONS, and many more. When supermodel Annette Bordeaux is found battered and strangled in her Edinburgh flat, former Chief Constable Bob Skinner's old team instantly have a global case on their hands. The victim's husband, world

renowned footballer and recent Merrytown FC signing is quickly discounted as a suspect But there are others in the club with less watertight alibis Two years out of the game Skinner can't help getting his hands dirty And as his old team work to convict the prime suspect his own daughter Alex is the lawyer tasked with leading the defence The opposing sides must work to find the culprit while the press watch on But in this game no one can be trusted and there are murkier deeds still to uncover before the final whistle blows

Connective Tissue Lily N. Shapiro, 2025-07-15 An ethnography of factory accidents and their attendant reconstructive plastic surgeries in Coimbatore Tamil Nadu *Connective Tissue* explores notions of risk work and labor practices and the way meaning is made from experiences of trauma care and recovery The book charts a rough chronology of the accident from the workspace that preceded it the transformation of the workspace by the accident through journeys to and treatment in the hospital and then the various and complex ways in which the accident reverberates into the future during recovery *Connective Tissue* revisits scholarship on factory labor by analyzing the accident as constitutive of the experience of work itself and it refines existing conversations about the body trauma and care by introducing an analysis informed by theories of labor and production Author Lily N Shapiro argues that care does not happen in spite of or on the margins of capitalism but rather that capitalism happens in and through care and caring relations These experiences are intersected by identities of caste class and gender and entangled in state discourse about labor rights welfare and industrial law

Grumpy Puck Misha Bell, 2024-11-12 Calliope Thanks to my needy pet rat I'm banned from working at all Florida theme parks So what's a person to do Get a job as a mascot for a local hockey team of course I didn't expect to get pushed into a pool on my first day by the grouchiest hottest player on the team Nor could I have imagined that we'd get locked into an evacuated building together and share an angry kiss that would get caught on video Or that said video would go viral sending ticket sales for our games through the roof Now Michael Medvedev and I have to fake date for the sake of the team Too bad he hates the whole world me included Michael The one time I decide to indulge my idiotic teammates and pull a prank on our mascot I end up pissing off a brand new employee on her first day and with my luck she turns out to be the quirkiest sexiest woman I've ever met I hate so much about Florida the humidity the sunshine the grass the ocean so it comes as a shock when I find something in this awful state that I do not hate and her name is Calliope Pretending to date her is going to drive me insane and that's before we're forced to share a hotel room with just one bed *In Search of Bernardina* Amadeo Hernandez, 2009-03-26 In Search of Bernardina A Book to Make Think Bernardina Hernandez 1926 2001 Daughter of Andres and Viviana Guevara freshly arrived from Spain to start a new life in El Salvador in the early 1890s Bernardina was married to Francisco Hernandez on March 15 1952 They had four children Julio Manuel Amadeo and Modesto In Search of Bernardina is a chronological narration of a series of events starting January 20 2001 This book describes in specific detail the desperation and feelings of impotence felt by the author at having his mother go missing in a Las Vegas casino and the experience of not knowing who else to turn to after all avenues with local and state authorities in the state of Nevada and California were exhausted to no avail This sad tale takes place after the author's parents arrive from El Salvador to the United States to spend the holiday season in the city of Los Angeles and it reflects the initial joys of a family reunion after decades apart as well as the pride felt by the author at finally being able to bring his folks to experience the wonders of this great country After Amadeo Hernandez's older sibling decides to take their parents for a weekend getaway in Las Vegas so they could enjoy what is known as fun capital of the world things change at vertiginous speed to transform what was originally conceived as a pleasure trip into a macabre nightmare Their mother disappears without a trace and never to be seen again at approximately four fifteen in the afternoon at the Nevada Landing Casino located in the outskirts of the city of Las Vegas This book takes the reader through the many possible theories of why this gentle elderly woman went missing such as the possible overcrowding inside the casino which prompted her to go outside for some fresh air and ultimately ended in her tragic loss But mainly it narrates the extensive yet unproductive search through shelters churches hospitals morgues and even various states This book speaks of the heartless bureaucracy of having to wait twenty four hours to get the

police system into gear to look for someone of being told of their mother's disappearance three hours after the fact and of the overwhelming sensation of knowing how the person who brought you into this world is somewhere out there lost alone and confused helpless As the search extends throughout the states of Nevada California and even Tijuana and El Salvador it takes the reader through the dark paths which even prompted the author to pursue answers in unexplored venues such as psychics only to try and find an answer any answer Things he had never in his life considered before More than a book In Search of Bernardina is a diary of the anguish and desperation that filled the author's every hour for several months the tale of a struggle against a storm for a man to find his mother a detailed narration of the days and the hours of pain refusing to surrender in order to find his mother who had gone missing in the desert
