Playing Golf: A Beginners Guide Noah Daniels,2014-07-28 Famous author Mark Twain once wrote Golf is a good walk wasted Many people feel this way After all what s so fun and interesting about hitting a little white ball with a metal stick trying to get it in a little hole However the truth is there is fun to be had on the golf course as is evidenced by the millions of golf enthusiasts all over the world One of the great things about golf is that it is more than a physical sport Your mental state can play a huge part in your golf game If you hit a bad shot it can really affect your next stroke and so on and so forth It s important to realize that if golf were less challenging it wouldn t be nearly as much fun I m not a golf pro but I do love the game of golf I ve always wanted to improve my golf game so this book will help both you and me I decided that researching what the pros have to say would be a great way to put their advice to good use Compiling all of that information into this book would also be a great way to share that advice Let s look at different aspects of the game of golf and find some easy ways to improve our scores **How to Play First Base** Hal Chase,1917 **How to Play Ice Hockey** Samuel Trafford Hicks,1923
