Good Omens The Nice And Accurate Prophecies Of Agnes Nutter Witch:

Good Omens Terry Pratchett, Neil Gaiman, 2015-03-17 _____ The book behind the Amazon Prime and BBC Series starring David Tennant Michael Sheen Jon Hamm and Benedict Cumberbatch Ridiculously inventive and gloriously funny Guardian _____ What if for once the predictions are right and the Apocalypse really is due to arrive next Saturday just after tea It's a predicament that Aziraphale a somewhat fussy angel and Crowley a fast living demon now find themselves in They've been living amongst Earth's mortals since The Beginning and truth be told have grown rather fond of the lifestyle and in all honesty are not actually looking forward to the coming Apocalypse And then there's the small matter that someone appears to have misplaced the Antichrist What readers are saying about Good Omens A superb recipe for disaster I didn't stop grinning from beginning to end Both Gaiman and Pratchett are great authors and they complement each other brilliantly Superbly enjoyable read Seamlessly co-written **Good Omens** Neil Gaiman, Terry

Pratchett, 2011-06-28 The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett soon to be an original series starring Michael Sheen and David Tennant Season 2 of Good Omens coming soon Good Omens is something like what would have happened if Thomas Pynchon Tom Robbins and Don DeLillo had collaborated Lots of literary inventiveness in the plotting and chunks of very good writing and characterization It's a wow It would make one hell of a movie Or a heavenly one Take your pick Washington Post According to The Nice and Accurate Prophecies of Agnes Nutter Witch the world's only completely accurate book of prophecies written in 1655 before she exploded the world will end on a Saturday Next Saturday in fact Just before dinner So the armies of Good and Evil are amassing Atlantis is rising frogs are falling tempers are flaring Everything appears to be going according to Divine Plan Except a somewhat fussy angel and a fast living demon both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle are not actually looking forward to the coming Rapture And someone seems to have misplaced the Antichrist

The A to Z of Fantasy Literature Brian

Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

Fantasy and the Real World in British Children's Literature Caroline Webb,2014-09-15

This study examines the children s books of three extraordinary British writers J K Rowling Diana Wynne Jones and Terry Pratchett and investigates their sophisticated use of narrative strategies not only to engage children in reading but to educate them into becoming mature readers and indeed individuals The book demonstrates how in quite different ways these writers establish reader expectations by drawing on conventions in existing genres only to subvert those expectations Their strategies lead young readers to evaluate for themselves both the power of story to shape our understanding of the world and to develop a sense of identity and agency Rowling Jones and Pratchett provide their readers with fantasies that are pleasurable and imaginative but far from encouraging escape from reality they convey important lessons about the complexities and challenges of the real world and how these may be faced and solved All three writers deploy the tropes and imaginative possibilities of fantasy to disturb challenge and enlarge the world of their readers

Subcreation: Fictional-World Construction from J.R.R. Tolkien to Terry Pratchett and Tad Williams Stefanie Schult, 2017-01-26 The doctoral thesis argues that the term Subcreation with its revised and broadened definition in part differing from J R R Tolkien s original term sub creation may be used for the discussion of the making of fictional worlds in literary discourse The successful conception of a fictional world depends on the reader s willing suspension of disbelief This depends both on the author and his skilled composition of the world and all its aspects as well as on the reader s acceptance of this invented fictional world The author needs to create a narrative with an inner consistency which is crucial to achieving the effect of the reader s immersion in the fictional world The fundamental aspects that an author needs to realize to achieve successful Subcreation have been structured into and analysed in four categories Language and Linguistic Variation Physiopoeia Anthropoeia and Mythopoeia Furthermore this thesis shows that as contemporary examples of fantastic literature both Tad Williams s and Terry Pratchett s fictional worlds are successfully created through the realization of these aspects of Subcreation Apart from commenting on the success of the subcreative process this thesis also remarks upon the cultural influences both authors include in their writings While both may be considered Anglophone in a general categorization Pratchett s Discworld retains a feeling of Britishness that is not to be found in Williams s Otherland The thesis proposes several approaches to Subcreation that may be studied subsequently So for example it may be possible to determine the success of an author s Subcreation by collecting empirical data Apart from literary works this field of studies may also include other media
