Each grade in The Wheatley Portfolio features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics. Features of this book include Six thematic units for each grade each centered on a curated collection of literary and informational texts. Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills. Suggested texts and activities to incorporate science, art, and history into English instruction. This revised second edition includes a sample text study that guides students through a close read of an exemplary text, updated web resources, and refreshed suggested works. Educators who create their curriculum based on Common Core's Wheatley Portfolio guarantee that students are exposed to content-rich instruction and have ample opportunity to master the reading, writing, speaking, listening, and language skills articulated in the CCSS for ELA.

Eating Right Slim Goodbody, 2007 Slim Goodbody explains how to use the food pyramid to make choices that will help keep you healthy. Eating Well Melanie Mitchell, 2006-01-01 Learn how to eat well to keep healthy. Real-Life Rules Mariah Bruehl, 2018-09-04 Raise happy, confident, and resilient children engaging activities that explore the life lessons that make for a well-rounded upbringing. As our children journey into adolescence, their social worlds begin to expand. While we can't protect them from what other people say or do, or paint them a picture of a perfect world, we can teach them how to handle themselves in difficult situations from the inside out. Teens and tweens crave more autonomy, but they need guidance more than ever. By equipping children with a variety of methods for dealing with different scenarios, we can give them the tools they need to navigate through life. This book offers insights, practical advice, and concrete activities that will serve children well as they begin to find their way independently in the world while, at the same time, helping parents to provide them with scaffolding to be safe, happy, and successful. With chapters that focus on cultivating positive qualities such as gratitude, courage, integrity, and generosity; understanding health and nutrition; mastering simple etiquette; connecting with others; resolving conflict; and empathy; exploring fiscal responsibility; best practices for social media; and navigating the digital world, and more. Through hands-on projects, vivid graphic printables, and interactive activities, Real Life Rules brings the whole family to the table, offering opportunities to explore, discuss, and experience both the concrete and abstract concepts that are critical for living a meaningful, thoughtful life.

Common Core Curriculum Maps in English Language Arts, Grades K-5 Great Minds, 2011-10-19 The first books to present specific guidance for teaching the Common Core State Standards. Forty-three states plus the District of Columbia and the U.S. Virgin Islands have signed on to adopt the Common Core State Standards CCSS. The need for curriculum guides to assist teachers in helping students meet these standards has become imperative. Created by teachers for teachers, the research-based curriculum maps in this book present a comprehensive, coherent

sequence of thematic units for teaching the skills outlined in the CCSS for English language arts in Grades K-5. The maps address every standard in the CCSS yet are flexible and adaptable to accommodate diverse teaching styles. Each grade is broken down into six units that include focus standards, suggested works, sample activities and assessments, lesson plans, and more. Teachers can use the maps to plan their year and craft their own more detailed lesson plans. Any teacher, school, or district that chooses to follow the Common Core maps can be confident that they are adhering to the standards. *Ensuring High-Quality Curriculum* Angela Di Michele Lalor, 2016-11-10. We know that curriculum is the core of the classroom experience, but what makes a quality curriculum? How can educators be sure that what they teach is strongly aligned to the specific standards that their district or school has adopted? What kinds of lessons, learning experiences, and assessments are most effective, and how should they be embedded within the curriculum? You'll find the answers to these and many other questions in this definitive step-by-step guide to curriculum design and evaluation. Drawing from her work with teachers and administrators to facilitate curriculum development, Angela Di Michele Lalor offers targeted advice and real-life examples from elementary and secondary units of study across a variety of content areas and standards, as well as field-tested rubrics, protocols, and other tools. She provides criteria for evaluating each component of a curriculum and end-of-chapter checklists to help you ensure that the criteria are met. Relevant to anyone who is creating or revising curriculum or evaluating options among published alternatives, *Ensuring High Quality Curriculum* is a comprehensive and accessible roadmap to developing a solid foundation for teaching and learning and better results in the classroom. **Eat a Rainbow: Healthy Foods** Susan Temple Kesselring, 2012-01-01. This book in the Move and Get Healthy Series will take readers through the basics of nutrition and healthy eating habits that are outlined in First Lady Michelle Obama's Let's Move Campaign and the USDA's MyPlate guidelines. Clear instructions, applicable suggestions, and quick tips for making healthy choices, meal preparation, and being active will get your students to Move and Get Healthy. Aligned to Common Core Standards and correlated to state standards. Looking Glass Library is an imprint of Magic Wagon, a division of ABDO. *Home Learning Year by Year* Rebecca Rupp, 2009-02-04. Finally, homeschoolers have a comprehensive guide to designing a homeschool curriculum from one of the country's foremost homeschooling experts. Rebecca Rupp presents a structured plan to ensure that your children will learn what they need to know when they need to know it, from preschool through high school. Based on the traditional pre-K through 12th-grade structure, *Home Learning Year by Year* features the integral subjects to be covered within each grade, standards for knowledge that should be acquired by your child at each level, recommended books to use as texts for every subject, guidelines for the importance of each topic, which knowledge is essential and which is best for more expansive study based on your child's personal interests, suggestions for how to sensitively approach less academic subjects such as sex education and physical fitness. **Fats, Oils, and Sweets** Helen Frost, 2004-08. Simple text and photographs show fats, oils, and sugary foods and explain how you can make healthy food choices. **A Sensory Approach to STEAM Teaching and**
