Plogger,2016-12-31 A journey is a collaboration and culmination of many steps Sometimes our steps move us forward or backwards Sometimes we take steps to the left or to the right Our goal should be that our steps move us toward a definite destination We hope that our steps are taking us nearer to that which will make us stronger better or even be greater people As our steps are crucial our end point is as well If we want to have the life that God has in store for us we need to be walking toward Him daily God has a life of peace and joy for us Not problem free but one of peace Not without tribulations or trouble but one of triumph In order for us to possess this life God has to be our end destination He has to be the one that we are focusing and He has to be the one that we are depending upon In order for us to grow in the Lord and step closer to Him we must be intentional It would be wonderful if we could just wake up and be spiritually stronger than we have ever been before But that is not reality We must be systematic and strategic if we are going to grow in the Lord This book will help and lead you to grow spiritually Jesus said If we are to follow Him we are to take up our cross daily One Step Closer is a tool that will not only strengthen us now it will impact our eternity **Leadership Gold** John C.
