Everyone s life is a story which they can describe on their own with Drama tragedy and laughter but the one thing common for all is love Everyone falls in love at least once with all their hearts and live to cherish those moments for life However

unlike others a small town boy Ravi came to New Delhi to fall in love not once but over and over again A smart but emotional Ravi fell in love with Misha thinking never to let go but his life had other plans and brought him Riya And then when things were looking good life wasn't contented with him So it shattered him but the friendship of Twinkle Varun brought him his life back Why did Ravi find himself lonely and demented even though the love he was looking for was with him all the time Then came Kavya to bring back the hearty laugh which he had lost in life The Ravi who never believed in love how did he get into a circle of love to fall for it repeatedly And will he ever find eternal love Look for the answers when Ravi tells his story to make you smile and to make you cry and when he lets you decide is it really love all over again     War and Peace graf Leo
