Cook's KJV Bible Lesson Commentary* David C Cook,2009-03 The David C Cook Bible Lesson Commentary NIV and KJV formerly Peloubet s and Tarbell s contains fifty two weeks of Bible lessons based on the International Sunday School Lessons ISSL series Each week s lesson includes extensive Bible commentary teaching suggestions and questions for adults and youth The DCC BLC is ideal for teachers with a limited amount of time to study and prepare and enables them to guide their class through all the major Bible themes and books in a systematic manner It s a one stop Bible resource for any teacher of youth or adults With so much to offer its no wonder teachers depend on it A full year s curriculum in one handy value priced reference Takes classes through all the major Bible themes and books systematically for better Bible learning Offers solid trustworthy content for both pastors and teachers Includes illuminating Bible backgrounds and commentary daily home Bible readings lessons aimed for adult and youth classes and much more Ideal for those who have a limited amount of time to study and prepare A one stop Bible resource that relates the truths of Scripture to everyday life **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **Classed List** Princeton University.
