Real Life Rock Greil Marcus, 2015-10-20 For nearly thirty years Greil Marcus has written a remarkable column called Real Life Rock Top Ten It has been a laboratory where he has fearlessly explored and wittily dissected an enormous variety of cultural artifacts from songs to books to movies to advertisements Taken together his musings reflections and sallies amount to a subtle and implicit theory of how cultural objects fall through time and circumstance and often deliver unintended consequences both in the present and in the future Real Life Rock reveals the critic in full direct erudite funny fierce vivid uninhibited and possessing an unerring instinct for art and fraud The result is an indispensable volume packed with startling arguments and casual brilliance

Beyond and Before, Updated and Expanded Edition Paul Hegarty, Martin Halliwell, 2021-12-02 The original edition of Beyond and Before extends an understanding of progressive rock by providing a fuller definition of what progressive rock is was and can be Called by Record Collector the most accomplished critical overview yet of progressive rock and one of their 2011 books of the year Beyond and Before moves away from the limited consensus that prog rock is exclusively English in origin and that it was destroyed by the advent of punk in 1976 Instead by tracing its multiple origins and complex transitions it argues for the integration of jazz and folk into

progressive rock and the extension of prog in Kate Bush Radiohead Porcupine Tree and many more This 10 year anniversary revised edition continues to further unpack definitions of progressive rock and includes a brand new chapter focusing on post conceptual trends in the 2010s through to the contemporary moment The new edition discusses the complex creativity of progressive metal and folk in greater depth as well as new fusions of genre that move across global cultures and that rework the extended form and mission of progressive rock including in recent pop concept albums All chapters are revised to keep the process of rethinking progressive rock alive and vibrant as a hybrid open form Vince Guaraldi at the Piano, 2d ed.

Derrick Bang,2024-05-01 Although Vince Guaraldi s playful jazz piano themes for the early Peanuts animated television specials are well known the composer himself remains largely unheralded More than merely the Peanuts guy Guaraldi cut his jazz teeth as a member of combos fronted by Cal Tjader and Woody Herman and garnered Top 40 fame with his Grammy Award winning hit Cast Your Fate to the Wind This career study extensively updated gives Guaraldi long overdue recognition chronicling his years as a sideman his attraction to the emerging bossa nova sound of the late 1950s his collaboration with Brazilian guitarist Bola Sete his development of the Grace Cathedral Jazz Mass his selection as the fellow to put the jazz swing in Charlie Brown s step and his emergence as a respected veteran in the declining Northern California jazz club scene of the 1970s Ironically his place in the jazz universe has grown exponentially since this book s initial 2012 publication and this second edition acknowledges such honors and features a wealth of new material Lit-Rock Ryan Hibbett,2022-08-11

Just as soon as it had got rolling rock music had a problem it wanted to be art A mere four years separate the Beatles as mere kiddie culture from the artful geniuses of Sergeant Pepper s meaning the very same band who represents the mass consumed mindless music of adolescents simultaneously enjoys status as among the best that Western culture has to offer The story of rock music it turns out is less that of a contagious popular form situated in opposition to high art but rather a story of high and low in dialogue messy and contentious to be sure but also mutually obligated to account for if not appropriate one another The chapters in this book track the uses of literature specifically within this relation helping to showcase collectively its fundamental role in the emergence of the pop omnivore **Been So Long** Jorma Kaukonen,2024-03-26 A modern
