Got War? G. B. Trudeau, 2013-02-19 Rear Admiral Steve Kunkle commander of the carrier strike force grimaced at a Doonesbury comic strip from the Japan Times It showed a Navy pilot thinking Oops As Doonesbury shifts to a wartime footing the strip s major players find themselves pre positioned for the coming cakewalk Weekend warrior B D leaves the Fighting Swoshes of Walden in the care of acting Coach Boopstein returning to the sands of Kuwait as Camp Blowback s Public Affairs Officer Among his charges Roland Hedley veteran of a grueling combat training program designed to keep media folk from getting capped Offshore the irrepressible Morale Officer Lieutenant Tripler goes live Good MORNING regime changers to lift the shipbound spirits of his pre swarthy charges while offstage Viceroy in Waiting Duke prepares to answer empire s call Stateside Mike takes up a flanking position on the sofa to log some serious CNN time while the Reverend Sloan girds his loins for peace Look for us on TV we ll be a million strong Marching to the beat of a different cause Zonker s old surfing mentor tries to enlist Z in a desperate fight to liberate Left Coastal access Protests Zonk What can I do I am but one dude Meanwhile Jeff Redfern is but one CIA intern yet he manages to launch a Predator drone and using basic Nintendo training knock out an Al Q ammo dump Also taking a hit Trent Lott busted for giving props to segregation I was trying to say I was down with the hood he backpedals realizing too late that Mr James Crow has finally left the house With Alex declaring eco jihad on SUVs and Elmont launching a daily assault on coherence as on line blogger Jenny McTagart Girl Pirate it s hard to see a peaceful world ahead But Jimmy Thudpucker can Waging war on the recording industry he and other filesarers have a vision of ultimate change de regime The suits die off and Pepperland will be free again *U.S. Militarism and the Terrain of Memory* John Bechtold, 2024-08-01 This book analyzes how the Iraqi city of Fallujah became registered as a setting for military heroics in American memory In 2004 the U S military conducted two disastrous assaults in Fallujah Iraq More than 1 000 citizens were killed and according to the military s own estimate upwards of 200 000 people were displaced because of the violence Yet despite this human catastrophe the kind of information that emerged in the public domain during the battle foregrounded the soldier s experience in war while effacing the destruction of Iraqi bodies This tendency to foreground the soldier body is a direct result of the military s intervention in what they conceptualize as the information environment This book draws from the second assault in Fallujah as a case study to explicate the military s investment in this perspectival space which is a consequence both of the mediatization of contemporary war and of the need to influence knowledge considered unfavorable to military operations In short the military enlists the media in their targeting process to produce information that is then deployed as persuasive force to modify the beliefs of specific target populations When the cultural texts produced by the media are remediated in the public domain after war they can be thought of as martial constructs because they originated during war through the military s systemized attempt to influence knowledge That is these texts trace to a specific battlefield objective This book reframes the notion of propaganda as a generalized public relations strategy

into a more acute and coordinated attempt to decontextualize specific knowledge in the information environment This book will be of much interest to students of media and communication studies war studies memory studies and international relations [Doonesbury.com's The War in Quotes](#) David Stanford,2013-07-30 THAT WAS THEN Once you ve got Baghdad it s not clear what you do with it It s not clear what kind of government you put in place How much credibility is that government going to have if it s set up by the U S military Dick Cheney 1991 MIND SET F Saddam We re taking him out George W Bush to three U S senators March 2002 WMD If the president wants to go to war our job is to find the intelligence to allow him to do so Alan Foley director CIA Weapons Intelligence to staff December 2002 THE PLAN There was no guidance for restoring order in Baghdad creating an interim government hiring government and essential services employees and ensuring that the judicial system was operational 3rd Infantry Division s official after action review INSURGENCY I really qualify it as militarily insignificant They are very small They are very random They are very ineffective Maj Gen Ray Odierno June 18 2003 REALITY Does the Iraq war strategy make America safer Sen John Warner I don t know actually Gen David Petraeus in Senate testimony September 11 2007 **American Newspaper Comics** Allan Holtz,2012 The most comprehensive guide to U S newspaper comics ever published *40: A Doonesbury Retrospective 1980 to 1989* G.
