How Americans Can Buy American:

How Americans Can Buy American Roger Simmermaker, 2002 It's not enough anymore to buy just Made in USA we have to buy American owned By supporting American owned companies profits stay in America and taxes are paid to the American government These tax dollars fund many important programs and benefits that we rely on So if you care about adequate funding for our Children's Education Social Security Police and Fire Protection Military and National Defense *Can American Manufacturing Be Saved?* Michele NashHoff, 2012-12-15 This book details how manufacturing developed in America through the industrial revolution and labor movement analyzes the impact of outsourcing offshore and our nation's trade policies looks at what various organizations are doing to try to help save American manufacturing and what we can do as individuals from the perspective of business owners employees consumers and voters to save American manufacturing Author Michele NashHoff argues that we will not be able to save American manufacturing unless we develop a national manufacturing strategy and change our trade policies She supports a Buy American policy recommends preventing the sale of strategic U.S. owned companies to foreign companies and enacting legislation to prevent corporations from avoiding income taxes by incorporating in a foreign country The 2012 edition also describes the Reshoring Initiative and considers the reasons why companies are returning manufacturing back to America from Asia *Making More in America , Re-Made in the USA* Todd Lipscomb, 2011-03-03 A business based rallying cry to reclaim the US economy There is a nagging feeling that the U.S. is slipping as a nation and our people are powerless to do anything to fix it Issues such as jobs product quality and safety wages the economy and our status as the world's leading superpower are all tied together with our massive trade deficit *Re Made in the USA* addresses these issues using the author's firsthand observations and analysis and offers a practical plan for how we can get our economy and global status back A practical action plan to get the nation back on track If you're worried about America when you start reading this book you'll finish feeling empowered Todd Lipscomb has a distinguished record in international business America's future does not have to be on the decline In inspiring terms *Re Made in the USA* lays out the choice Americans have between doing nothing and doing what we do best rolling up our sleeves and working hard to fix the problem *America for Sale* Craig T. Bouchard, James V. Koch, 2009-09-23 Exploring the issue of foreign ownership of corporate America a leading economist and the president of the steel producer Esmark revisit the sale of that company to a Russian firm Is it a good idea to allow foreigners to purchase critical and strategic American assets No say authors James Koch and Craig Bouchard In *America for Sale How the Foreign Pack Circled and Devoured Esmark* Koch and Bouchard use the sale of Esmark a transaction that put over 50 percent of American steel production into foreign hands to make the case that this trend presents a clear and present danger to the economic future of United States of America *America for Sale* recaps the amazing sometimes incredible events leading up to the sale of Esmark including intense pressure from the United Steelworkers and the company's major public shareholder to make a decision not in the best

interest of all shareholders It also analyzes the efforts by the Esmark board of directors to observe its fiduciary duty details the company's poison pill effort to raise its sales price and describes the actions of Leo Gerard and Ron Bloom of the United Steelworkers Union which led to some surprising alliances The authors one Esmark's president and vice chairman of the board the other an Esmark director preeminent American economist and former university president then provide their own assessment of the Esmark story They offer legislative and policy prescriptions aimed at making sure U S business doesn't devolve into one big garage sale to foreigners seeking to take advantage of the coming decline of the U S dollar

How Americans Can Buy American Roger Simmermaker,1996 Price Theory And Applications (Tenth Edition) Steven E. Landsburg,2024-03-22 Price Theory and Applications challenges students to master the economic way of understanding the world with equal emphasis on intuition and precise logic and special emphasis on the interplay between them The writing is inviting humorous and sometimes folksy without sacrificing the insistence that arguments need to be airtight Important concepts are introduced via entertaining examples and fleshed out with rigor The learning experience is supported by a vast number of intriguing and entertaining exhibits examples numerical exercises and problem sets some integrated within the text and others included at the end of chapters The problems vary widely in their demands on students some are straightforward applications of the theory while others require a great deal of creativity and a willingness to think considerably outside the box

What Every American Should Know About Who's Really Running America Melissa Rossi,2007-05-29 A guide to the politicos money men lobbyists and deal makers who really run America What foreign country has the power to send America crashing into a recession Why is the USA still dangerously dependent on oil when viable energy alternatives have existed for decades Who made the call that we should return to nuclear energy and then took a high paying position with a nuclear company Which youth group was a spawning ground for many contemporary power mongers What lobbyists and special interest groups are running the show on Capitol Hill and exactly what tools of persuasion are they using Melissa Rossi answers these questions and more in this timely and topical guide to who's pulling the strings behind the scenes of American politics This latest edition of Rossi's popular What Every American Should Know series puts the spotlight on our own backyard covering topics like Which groups ensure that Americans pay more for drugs than any other nation How our immigration laws are damaging the U S economy Who's telling the school boards what your child will learn Who really benefits from U S foreign policy How corporations and government agencies are spying on us Why we should avoid electronic voting Who killed the electric car and who exposed it Organized by topic for easy reference What Every American Should Know About Who's Really Running America shows Americans what is going on behind the scenes and how they can counterbalance the influence of a small powerful elite to put the power back where it should be in the hands of the people
