## **How God Became King The Forgotten Story Of The Gospels:**

How God Became King N. T. Wright, 2012-03-13 Foundational The four gospels come directly from the ancient church and are among the primary sources for the church's teachings. Familiar since Christian worship services began, reading from the gospels has played a central role. Studied for over two hundred years, scholars have challenged and defended the central claims of the gospels: miracles, historical accuracy, the divinity of Jesus, and more. But forgotten still, leading Bible scholar N. T. Wright reveals shocking news: We have all forgotten what the four gospels are about. Despite centuries of intense and heavy industry expended on the study of all sorts of features of the gospels, Wright writes, we have often managed to miss the main thing that they all four of them are most eager to tell us. What we need is not just a bit of fine tuning, an adjustment here and there. We need a fundamental rethink about what the gospels are trying to tell us. What Wright offers is an opportunity to confront these powerful texts afresh, as if we are encountering them for the first time. How God Became King reveals the surprising, unexpected, and shocking news of the gospels: this is the story of a new king, a new kind of king, a king who has changed everything, and a king who invites us to be part of his new world. How God Became King N. T. Wright, 2016-03-01

New Testament scholar N. T. Wright reveals how we have been misreading the Gospels for centuries, powerfully restoring the lost central story of the Scripture: that the coronation of God through the acts of Jesus was the climax of human history. Wright fills the gaps that centuries of misdirection have opened up in our collective spiritual story, tracing a narrative from Eden to Jesus to today. Wright's powerful re-reading of the Gospels helps us re-align the focus of our spiritual beliefs, which have for too long been focused on the afterlife. Instead, the forgotten story of the Gospels reveals why we should understand that our real charge is to sustain and cooperate with God's kingdom here and now. Echoing the triumphs of Simply Christian and The Meaning of Jesus, Wright's How God Became King is required reading for any Christian searching to understand their mission in the world today. *How God Became King* Tom Wright, 2012-04-12

It has been slowly dawning on me over many years that there is a fundamental problem deep at the heart of Christian faith and practice. As I have known them, we have all forgotten what the four Gospels are about. With that surprising assertion, Tom Wright launches this ground-breaking work in which he helps us to see the gospel story in radically a new light and to acknowledge that for many generations the Church has been avoiding its full impact and holding back from proclaiming its full meaning. Classic Wright, clear, accessible, robust, engaging, and challenging. Paula Gooder in *Third Way*. Scholarly, accessible, insightful, and provocative. Christianity. Wright argues compellingly that the twin themes of kingdom and cross are inseparably linked. This is a much-needed reorientation. The book makes its case for rethinking cogently and deserves widespread attention. Theology

[Did Jesus Rise from the Dead?](#) Matthew Levering, 2019-02-21 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father s right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened
