Bellini, 2018-10-31 The ministry of casting out demons is either entirely dismissed on one hand or misused and abused on the other A closed system natural worldview utterly rejects the notion of a spirit world with spirit beings To the other extreme some shortsighted deliverance ministries reject the validity of the health professions and identify every problem in the life of the believer as demonic The theology of these ministries fails to account for the power of the cross and its daily application in the life of the believer as the normal way in which God delivers from sin and evil All challenges in the life of the believer do not necessitate a deliverance session Unleashed is a book that offers a balanced perspective on these matters including an instrument that can be used to assist in discerning the probable need for deliverance The C1 13 instrument is revolutionary transcending the usual inventories by applying variables that are key factors to differentiating degrees of demonic influence The instrument is also distinct due to its integrative approach that cross references the work of other professional fields to arrive at a comprehensive picture of the problem and thus a more extensive and effective treatment *Transactions of the ... Matthew 16 19 *Faith Healing Ministry* Gwendolyn Washington, 2020-08-25 Faith Healing Ministry A Christian Education Model for Clergy and Laity The purpose of this book is to begin an intentional effort to retrieve the ministry of faith healing using a Christian education model to educate train clergy and laity Healing as a spiritual gift for the body of Christ is a much neglected gift due to variables that may be altered to benefit multitudes In my research and study I have discovered it is the lack of knowledge in understanding the gift of healing and how to operate it that caused so many to be indifferent about it Jesus came so that our souls may be saved and to heal our bodies A scriptural reference is Isaiah 53 5 But He was wounded for our transgressions He was bruised for our iniquities the chastisement of our peace was upon him and by His stripes we are healed This sums up the purpose for Jesus coming to earth to make it possible for each person who would believe to have eternal life and be sound in body and mind This book reveals some pitfalls or controversial teachings regarding why so many from various denominations believe that the gifts ceased during the first century Being in the health profession for thirty eight years I have seen various diseases many struggle with and medical technology has no cure for With health care benefits changing and there is a possibility many may lose their coverage it is imperative that we go back to God's original plan divine healing Not to discount the physicians scientist and medical technology but it is important for us to know that we have God's plan for healing My desire is to get the message out to the masses especially to churches to establish healing centers that divine healing is a benefit of the Kingdom of God **Thunderstruck!** Peter J. Bellini, 2023-04-18 This book is a historical and theological look into the deliverance and exorcism ministry of John Wesley It examines how Wesley understood the phenomenon of deliverance and his own practice of it in terms of ordinary and extraordinary gifts The text looks at how Wesley understood deliverance in general in relation to salvation and how he understood an aspect of deliverance that involved expulsion of demons Further the book assesses how contemporary Wesleyans and Christians in general can apply Wesley's theology and practice to deliverance ministry today Practices like baptismal vows and the use of the gifts of the Holy Spirit are explored in the life of the believer today in terms of deliverance **The Supernatural You** Brenda Kunneman, 2011-10-31 You've turned to others you've turned to God but have you tapped into the power within you Often we find ourselves looking for God to move on our behalf in the midst of crisis and problems We don't understand why we aren't getting the answers we need In desperate moments we grasp for remedies not realizing that God has already placed inside each of us a resource that will address our most challenging circumstances It is a river coming out of our own spirit In The
