How The Streets Changed Me And Almost Took My Life:

How the Streets Changed Me and Almost Took My Life Vincent A Robinson,2014-10-09 Even at a young age Vincent's obsession with money and his love of attention were preeminent traits Because of it his life would be forever changed and nowhere near mediocre He recognized he was quite different from his peers and quickly sensed that he was twice as advanced albeit in streetwise wit Realizing the possibility of acquiring absolute power and respect in his environment Vincent confidently set off on a path to triumph which ironically led to near self destruction Grasping the possibility of contributing to his own tragic demise something deep within forced Vincent to push forward That is when fate intervened An Unsuspecting Trap George E. Buttner,2007-07 An Unsuspecting Trap is a compelling and candid account of the author's struggles with alcoholism and his exploration of the events that led him down a path of self destruction At his mother's funeral George flashes back to the abuse abandonment and early frustrations that impoverished his personal growth and kept him imprisoned by his past for most of his adult life The disparagement and lack of guidance that characterized his early years led to his truancy low self worth a dramatic near death experience in the Navy and a long and agonizing bout with alcoholism However this story is not about one child being battered or even the drunkenness that followed but rather the human heart Not knowing why but knowing just the same it is about a child's resourceful spirit searching for its place in the sun It is about freeing whatever is good from the wreckage of my broken dreams Wishing for some of them to come true it is about a chance at having a hopeful future of being restored to full humanity and yes most of all it is about the necessary conviction that in sharing these things with others life will have peaceful promise for our children in the shrinking fast changing world we know today People Are Not Your Problem, They Are Your Purpose Marcia Magee McClelland,2022-01-31 Why don't these bums just get a job For a long time that was my sentiment about people I saw begging on the street for money Without compassion I was convinced that if I did give them money they would just use it for booze or drugs So instead I just shook my head in disgust and walked on by After many years of this unkind uncaring attitude I found myself working in a large inner city church and having to meet with people on the streets every day as they dropped by to have their various needs met Eventually I found that by getting to know them and their often tragic stories many of which are included in this memoir they ministered to me as much as I ministered to them changing my heart My Life and How I Got Over! Jeanette Shaw,2012-11-15 This book contains information concerning my life and how I got through the rough times From a young age to my current years there were some abuse love lost of trust and hard times of raising seven kids being a single parent with no help or any family members Real names are not used in this book Fictional names of the characters are used Life is not a silly game and should not be preyed upon Treat people with respect If you can't help them don't hurt them Just move out of their way A Click That Changed My Life© Victoria Vorel,2011-04-06 Victoria is a woman looking for love and had not found much luck After a series of disappointment she decided to try looking for it online She met

a man on the internet that turned her world around 180 degrees The man was from another side of the world What started out as a simple chit chat turned into a big story of adventure drama and life changing events Was he the man Victoria was looking for She is in for the biggest surprise of her life The Prayer of My Life:How God Changed Me in Seven Months Tony Portugal,2010-03-24 What makes this book extremely unique is that the story portion minus the editing process was actually written in less than one week The principles which are at the end of the story were written during Tonys journey in his initial seven months with God In Tonys own words he says I was not raised in church I have never known God Truthfully I have never actually known myself My familys love and their concerns for my well being had always fallen on deaf ears Simply by establishing my life around counterfeit friends it forced me to live in the darkest reality of my time What changed I went to kill a man and instead Jesus interfered It is quite unbelievable how believable God really is The Bible would become the first Book I ever read Did I understand it at first No But the Bible is not based on logical thinking but illogical people Lord I refuse to leave Your presence until You bring out of me what You promised was in me With that same perspective the Bible contains a power that enables us to go beyond ourselves Its mind blowing how within seven months God can flip your world inside out Godey's Lady's Book ,1862 *The Book Of Me* Robin L. Gist,2010-07-08 The Book Of Me tells the real life story of a small town girls life of surviving and growing up in an drug alcohol sexually verbally and physically abusive household and family her escape and her journeys battles and struggles of hustling to survive on the streets and to beat the streets to turn her life around *How the Ship Changed My Life* Goran Žganec,2025-01-03 Due to the difficulty to find a job in his city Goran chooses the type of career that changed his life He started to work on a cruise ship in the hospitality industry in 2013 He has three contracts in three different cruise ships He considers this experience the most difficult but also the most valuable that life has taught him Working on a vessel requires huge sacrifices like being miles away for more than half a year from family and friends working with different nationalities and cultures brutally heavy pace of minimal ten working hours every day and often even more without normal sleeping hours but on the other hand a piece of relaxation that makes it very special such as travelling to various attractive world tourist destinations and creating unforgettable friendships and adventures Because of his soccer dream he left the cruiser in 2016 together with Elizabeth from Peru back then his girlfriend today his wife and since 2017 they live in Munich Germany From the first day spent on the ship during all the rich experiences and adventures until the last disembarkation through magical Peru and a special proposal on the beautiful Machu Picchu to the current life in Germany he continues to explore new places and shares his soccer passion Ship life inspired him to write this book and motivate people in achieving their biggest goals because he strongly believes that everything is possible if the person really wants it The Girl from Gladden Street Jeannette McDonald,2009-01-12 Sometimes life plays little jokes For Jeannette McDonald growing up in a small town in West Virginia in the 1950s life had three particular jokes in mind naming her after a famous movie star giving her a birthday just after Valentines Day and

letting her grow up on a street named Gladden place as far from glad as Jeannette was from being a movie star Growing up is supposed to be a time of wonder and joy For the girl on Gladden Street the wonder was in discovering that when life plays jokes anything is possible if you keep a healthy attitude Ms McDonald relates that some of lifes harshest realities can lead to new awakenings and a better life Peppered with a series of brief episodic coming of age vignettes that illustrate Ms McDonalds life and much of the American landscape of the 1950s The Girl from Gladden Street provides a reminder that some of our most valuable lessons come from events experienced during the most impressionable times of life *Godey's Lady's Book, and Ladies' American Magazine* ,1862 Street to Recovery Kevin Kennedy,2013-10-31 Curly Watts is a TV icon for twenty years appearing on millions of TV screens around the country in Coronation Street Kevin Kennedy is one of the UK s most successful soap actors although behind the scenes and high profile appearances he faced a painful personal battle Kevin shares his experiences of alcoholism rehab and IVF as well stories from the set and stars he worked with during some of the brightest and darkest moments of his life through to his music career and current roles This brutally honest autobiography provides a rare glimpse into life behind the scenes the power of addiction and his battle with recovery
