How To Be A Hero To Your Kids:

How to be a Hero to Your Kids Josh McDowell, Dick Day, 2008-08-03 You don't have to be a super parent to be a hero to your kids. All it takes is love, motivation, and a workable plan. Josh McDowell and Dick Day offer a six-point biblically based plan for positive parenting that will set you on the path to being a hero to your child. *How to Be a Hero to Your Kids* Josh McDowell, 1991-03 How can you be a hero to your kids? And why is it so important today? This video gives answers and offers a game plan based on the principles taught by Jesus. They call the plan the Six A's for Positive Parenting. This landmark video offers one of the best parenting courses available today. Includes hardcover book of the same name, leader's guide, and reproducible discussion guide. Four 50-minute sessions, 25 minutes of video, and 25 minutes of group interaction. **How to Talk So Your Kids Will Listen** H. Norman D. Min Wright, 2010-12-09 Yes, parents! It is possible to talk so both children and teens will listen to you. Take the frustration out of your interactions with your kids by learning Childspeak and Teenspeak. You can learn to package what you say in such a manner that kids and teens want to hear you. The communication principles found in this book are time-tested and proven approaches that will change and improve all family communication. *Finding the Hero in Your Husband, Revisited* Juli Slattery, 2021-10-19 In an update of the groundbreaking original title, Dr. Juli Slattery illuminates the power of women in marriage with an emphasis on the uniqueness of a woman's capacity to build intimacy. What do you do if your husband won't get a job? When you don't like the way he's parenting the kids? How do you know when to stand up to a controlling husband or if you've become a controlling or manipulative wife? Many women feel lost in their marriages. They don't know what to do with their disappointment, when to ask for help, or what it looks like to let go of the need to control. Yet God has given women incredible power in marriage, but they have to learn how to use it. In a complete rewrite of her bestselling book *Finding the Hero in Your Husband*, psychologist Dr. Juli Slattery gently guides women to see how their attempts to manage or fix the messiness of marriage may actually undermine the very connection they want to build. As you read this book, you will see how disappointment in marriage isn't the end of intimacy but an opportunity to build true intimacy that will go the distance. Learn to use your relational power in a way that builds intimacy instead of sabotaging it. Recognize the ways you unknowingly sabotage intimacy by using your power to take over in marriage. Understand what biblical submission isn't and be empowered to step into the influence and responsibility you have within marriage. Solidly grounded in biblical truth, Juli covers topics such as work-home-life conflict and intimacy. As a mentor and friend, she offers explanations of God's design, healthy expectations, and relatable applications that women of faith can practice to influence their marriage and deepen their relationship with God. Ultimately, *Finding the Hero in Your Husband, Revisited* will help a wife more clearly see and encourage the hero within her husband by examining her own heart. **Coaching Your Kids to Be Leaders** Pat Williams, 2008-03-12 In *Coaching Your Kids to Be Leaders*, Pat Williams takes the seven principles of leadership and applies them to the challenge of building young leaders.
