**Stealing Home** Eric Nisbaum, 2020-03-24 A story about baseball family the American Dream and the fight to turn Los Angeles into a big league city Dodger Stadium is an American icon But the story of how it came to be goes far beyond baseball The hills that cradle the stadium were once home to three vibrant Mexican American communities In the early

1950s those communities were condemned to make way for a utopian public housing project Then in a remarkable turn public housing in the city was defeated amidst a Red Scare conspiracy Instead of getting their homes back the remaining residents saw the city sell their land to Walter O Malley the owner of the Brooklyn Dodgers Now LA would be getting a different sort of utopian fantasy a glittering ultra modern stadium But before Dodger Stadium could be built the city would have to face down the neighborhood s families including one the Ar chigas who refused to yield their home The ensuing confrontation captivated the nation and the divisive outcome still echoes through Los Angeles today [LIFE](#) ,1942-06-08
