

The background of the book cover is a detailed architectural drawing in a light blue and grey color scheme. It depicts a multi-story building with a prominent grid-like facade, possibly representing a curtain wall or a brick pattern. The building has a complex roofline with several gables and dormers. In the foreground, there are architectural details like a sloped roof section and some structural elements, suggesting a cross-section or a perspective view of the building's construction. The overall style is technical and precise, typical of architectural illustrations.
